Born to Be Hanged Syeda Saiyidain Hameed.2017-01-12 Pakistan's former Prime Minister Zulfikar Ali Bhutto held the reins of the country from 1971 to 1977. He was overthrown in 1977 by his Chief of Army Staff, General Zia-ul-Haq, and executed in 1979. Zia-ul-Haq ruled over Pakistan for eleven years with an iron fist, curbing all dissent until he got blown up in an air crash in 1988. In almost three decades since, Pakistan's leadership has changed hands fifteen times. An extremely controversial and confrontational politics is associated with the era of Zulfikar Ali Bhutto. It is therefore not surprising that, considering his towering stature, not enough has been researched and written about the tumultuous years of his accession to power culminating in what today is best described as regicide. Syeda Hameed delves deep into the politics of Pakistan, meeting Bhutto's contemporaries, mining information from archives and letters to bring to the fore a rich yet disturbing life and times of Zulfikar Ali Bhutto.

Sisters & Brothers of America Swami Vivekananda.2015-09-08 The Parliament of the World's Religions opened on 11 September 1893 at the Art Institute of Chicago as part of the World's Columbian Exposition. On this day, Vivekananda gave a brief speech representing India and Hinduism. He was initially nervous, bowed to Saraswati (the Hindu goddess of learning) and began his speech with Sisters and brothers of America!. At these words, Vivekananda received a two-minute standing ovation from the crowd of seven thousand. According to Sailendra Nath Dhar, when silence was restored he began his address, greeting the youngest of the nations on behalf of the most ancient order of monks in the world, the Vedic order of sannyasins, a religion which has taught the world both tolerance, of and universal acceptance. Vivekananda quoted two illustrative passages from the Shiva mahimna stotram: As the different streams having their sources in different places all mingle their water in the sea, so, O Lord, the different paths which men take, through different tendencies, various though they appear, crooked or straight, all lead to Thee! and Whosoever comes to Me, through whatsoever form, I reach him; all men are struggling through paths that in the end lead to Me. According to Sailendra Nath Dhar, It was only a short speech, but it voiced the spirit of the Parliament. Parliament President John Henry Barrows said, India, the Mother of religions was represented by Swami Vivekananda, the Orange-monk who exercised the most wonderful influence over his auditors. Vivekananda attracted widespread attention in the press, which called him the cyclonic monk from India. The New York Critique wrote, He is an orator by divine right, and his strong, intelligent face in its picturesque setting of yellow and orange was hardly less interesting than those earnest words, and the rich, rhythmical utterance he gave them. The New York Herald noted, Vivekananda is undoubtedly the greatest figure in the Parliament of Religions. After hearing him we feel how foolish it is to send missionaries to this learned nation. American newspapers reported Vivekananda as the greatest figure in the parliament of religions and the most popular and influential man in the parliament. The Boston Evening Transcript reported that Vivekananda was a great favourite at the parliament... if he merely crosses the platform, he is applauded. He spoke several more times at receptions, the scientific section, and private homes on topics related to Hinduism, Buddhism and harmony among religions until the parliament ended on 27 September 1893.

Vivekananda's speeches at the Parliament had the common theme of universality, emphasising religious tolerance. He soon became known as a handsome oriental and made a huge impression as an orator.

Communists and British Society, 1920-1991 Kevin Morgan,Gidon Cohen,Andrew Flinn.2007 The revolutionary appeal of Communism in 20th-century Britain is analyzed in this examination of why Communist Party members joined, how they participated in the party's activities, and why, in many cases, they left the party. Archival resources, hundreds of interviews, and sociological analyses document the nature of left-wing activism in Britain from its earliest incarnations to the schisms of the 1980s. The role of Communism in British politics and society is illuminated by discussions of constructions of political authority; the role of gender, generation, and social class; and the significance of political space and mobility in recruitment.

Unbelievable T. Christian Miller,Ken Armstrong.2019-09-03 Now the Netflix Limited Series Unbelievable, starring Toni Collette, Merritt Wever, and Kaitlyn Dever • Two Pulitzer Prize-winning journalists tell the riveting true crime story of a teenager charged with lying about having been raped—and the detectives who followed a winding path to arrive at the truth. “Gripping . . . [with a] John Grisham-worthy twist.”—Emily Bazelon, New York Times Book Review (Editors’ Choice) On August 11, 2008, eighteen-year-old Marie reported that a masked man broke into her apartment near Seattle, Washington, and raped her. Within days police and even those closest to Marie became suspicious of her story. The police swiftly pivoted and began investigating Marie. Confronted with inconsistencies in her story and the doubts of others, Marie broke down and said her story was a lie—a bid for attention. Police charged Marie with false reporting, and she was branded a liar. More than two years later, Colorado detective Stacy Galbraith was assigned to investigate a case of sexual assault. Describing the crime to her husband that night, Galbraith learned that the case bore an eerie resemblance to a rape that had taken place months earlier in a nearby town. She joined forces with the detective on that case, Edna Hendershot, and the two soon discovered they were dealing with a serial rapist: a man who photographed his victims, threatening to release the images online, and whose calculated steps to erase all physical evidence suggested he might be a soldier or a cop. Through meticulous police work the detectives would eventually connect the rapist to other attacks in Colorado—and beyond. Based on investigative files and extensive interviews with the principals, Unbelievable is a serpentine tale of doubt, lies, and a hunt for justice, unveiling the disturbing truth of how sexual assault is investigated today—and the long history of skepticism toward rape victims. Grounds for Play Kathryn Hansen.2023-12-22 The nautanki performances of northern India entertain their audiences with often ribald and profane stories. Rooted in the peasant society of pre-modern India, this theater vibrates with lively dancing, pulsating drumbeats, and full-throated singing. In Grounds for Play, Kathryn Hansen draws on field research to describe the different elements of nautanki performance: music, dance, poetry, popular story lines, and written texts. She traces the social history of the form and explores the play of meanings within nautanki narratives, focusing on the

ways important social issues such as political authority, community identity, and gender differences are represented in these narratives. Unlike other styles of Indian theater, the nautanki does not draw on the pan-Indian religious epics such as the Ramayana or the Mahabharata for its subjects. Indeed, their storylines tend to center on the vicissitudes of stranded heroines in the throes of melodramatic romance. Whereas nautanki performers were once much in demand, live performances now are rare and nautanki increasingly reaches its audiences through electronic media—records, cassettes, films, television. In spite of this change, the theater form still functions as an effective conduit in the cultural flow that connects urban centers and the hinterland in an ongoing process of exchange.

Imām Ḥusayn - The Saviour of Islam Sayyid Muhammad Rizvi, Sayyid Saeed Akhtar Rizvi, Shaykh al-Mufid, Ayatullah Murtada Mutahhari.2020-05-25 The book, Imām Ḥusayn The Savior of Islam, compiled by Sayyid Muhammad Rizvi, contains seven sections that discuss different aspects related to the event of Karbalâ. In addition, six sections are written or translated by either Sayyid Saeed Akhtar Rizvi or Sayyid Muhammad Rizvi. Husayn - The Heir of the Divine Guides (by Sayyid Muhammad Rizvi), takes a general look at the event of Karbalâ in a very factual way. It answers questions such as 'Who was Imam Husayn?' 'What did he do?', 'Against whom?', and 'Why?'. Due to its factual nature, this section of the book can easily be used in an Islamic History class, since it provides an accurate historical account of what took place through the Shî'ah perspective. The language used is also quite simple and easy for children and adults alike to understand. The Martyr - An Analysis (by Ayatullah Mutahhari, translated by Sayyid Muhammad Rizvi), discusses the status and sanctity of martyrdom in Islam, using Imam Husayn as an example. This chapter provides the reader with a much deeper insight into the issue of martyrdom and even jihad, even exploring the rationale and way of thinking of a martyr. Furthermore, it puts

into perspective the struggle of Imam Husayn and reminds us of his greater mission. The Martyrs of Karbalâ (by Sayyid Saeed Akhtar Rizvi), is once again quite factual, in that it lists the names of the people martyred in Karbalâ according to: their tribe, their relation to Imam Husayn a, whether they died in Karbalâ or afterwards, and their relationship to the other martyrs. In my view, this section would probably be of most use to a young scholar who is conducting research on the event. The Family of Imam Husayn (by Sayyid Saeed Akhtar Rizvi), sheds some light on the women and children in Imam Husayn's a family, particularly about their cultural and familial origins. Hind or Uraynab, A Good Example of Umayyad Propaganda (by Sayyid Saeed Akhtar Rizvi), is perhaps the most distinct in the entire book. It discusses the narration of an event involving the marriage of Imam Hasan or Imam Husayn to a woman named Uraynab or Hind, who chose to marry the Imam instead of Yazîd. Thus, the narration implies that the conflict between Imam Husayn and Yazîd originated due to a fight over a woman, and had little to do with 'the Truth'. However, what is strange about this narration is that it has six uniquely different versions. In order to indicate the various flaws in the event, the author chooses to analyze and crosscheck all six of the narrations, and to evaluate them historically. In doing so, the author successfully illustrates an example of an Umayyad-fabricated narration, which happens to have no basis whatsoever. The Selected Sayings and Letters of Imam Husayn, (by Sayyid Muhammad Rizvi). In most of these letters and sayings, Imam defines and again re-defines his purpose of traveling to Karbalâ, for example he says: "I am not rising (against Yazîd) as an insolent, or an arrogant [person], or a mischief-monger or as a tyrant. I have risen as I seek to reform the ummah of my grandfather. I wish to bid the good and forbid the evil ...". The Life of Imam Husayn, which happens to be the longest section of the book, and is reproduced from Shaykh al-Mufid's Kitâb al-Irshâd (translated by Doctor I. K. A. Howard). It is a semi-detailed account of the entire life of the Imam, starting from his birth, going on to talk about the period of his khilafa, to the cause of his death and his place of burial. It then includes a chronological list on the life of all fourteen Ma`sûmîn.

Shiva Vanamali.2013-10-04 The traditional understanding of Shiva told through stories and teachings from the Shiva Mahapurana • Explains Shiva's contradictory forms, such as destroyer or benefactor, and how his form depends on the needs of the devotee • Reveals how Shiva's teachings allow one to see through the illusions at the root of all grief and alienation in human life • Explores Shiva's relationships with Durga, Shakti, Sati, and Parvati and with his sons Ganesha and Kartikeya Shiva, the most ancient and complex deity of the Hindu pantheon, has been portrayed in many contrasting lights: destroyer and benefactor, ascetic and householder, wild demon slayer and calm yogi atop Mount Kailash. Drawing from the Hindu sacred text the Shiva Mahapurana--said to be written by Shiva himself--Vanamali selects the essential stories of Shiva, both those from his dark wild side and those from his benevolent peaceful side. Vanamali discusses Shiva's many avatars such as Shambunatha and Bhola, as well as Dakshinamurti who taught the shastras and tantras to the rishis. She explores Shiva's relationships with Durga, Shakti, Sati, and Parvati and with his sons Ganesha and Kartikeya. Examining Shiva's acceptance of outsiders, Vanamali explains why ghosts and ghouls are his attendants and why his greatest devotees are demon kings, like Ravana. She includes famous Shiva stories such as the Descent of the River Ganga and Churning the Milky Ocean as well as those that reveal the origin of the festival of lights, Diwali; his creation of the cosmic couple, or hierogamos; and how Shiva and Parvati taught the world the secrets of Kundalini Shakti. The author also draws upon Shaivite teachings to illustrate the differences between Western science and Vedic science and their explanations for the origins of consciousness. Integrating Shiva's two sides, the fierce and the peaceful, Vanamali reveals that Shiva's form depends on the needs of the devotee. Understanding his teachings allows one to see through the illusions at the root of all grief and alienation in human life, for Shiva is the wielder of maya who does not fall under its spell. While Ganesha is known as the remover of obstacles, Shiva is the remover of tears.

Mad Monk Manifesto Yun Rou.2018-10-31 The Taoist monk and acclaimed author demonstrates how personal spiritual practice can lead to social change in this manifesto of spiritual activism. It's easy to get outraged by world events and frustrated by personal battles. It's much harder to act on that outrage in a positive way. Born of moral indignation and seasoned by a life of self-cultivation, Monk Yun Rou's Mad Monk Manifesto shares insight, practical advice, and a powerful call to social and political action. Based on ancient Chinese wisdom such as Lao Tzu's Tao Te Ching, Mad Monk Manifesto demonstrates how effecting change on a grand scale begins with getting to know our own consciousness. As ripples move away from a stone dropped into a pond, Yun Rou begins with our personal lives, discussing diet, exercise, meditation, and mind/body practice. Then it expands to our public environment, describing what we can do to improve our community, government, and the world. In addition, Monk Yun Rou encourages everyone to engage in the nature that surrounds them, showing how environmentalism can take place in daily life. Winner of the Gold Nautilus Book Award

Each Journey Begins with a Single Step Deng Ming-Dao.2018-09-01 This is a book of guidance for life's journey rooted in the wisdom of ancient China. Best-selling author Deng Ming-Dao provides key poetic lines that distill the essence of Taoism, organizing them in the form of a journey. The material here is drawn from three sources: The Tao Te Ching, The Yijing, and 300 Tang Poems. Deng Ming-Dao writes: We walk the Way each day. We don't know what's ahead and so it's helpful to have the wisdom of others to guide us. They have left us a message to encourage us. They have spoken of the joys, griefs, and purity that we should embrace. Like good pathfinders, they give us direction and prepare us for what we might encounter. They let us walk for ourselves. We have a wonderful companion for the journey. The following lines reflect the inspirational nature of this book: A good traveler leaves no footprints. Think three times, then move. Words can be worth a thousand pieces of gold. Ancestors plant trees. Descendants enjoy cool shade. A journey of one thousand miles begins with a single step. This is a lovely package that will function as a gift for all occasions and as an object for those looking for daily sustenance on life's journey.

The Promise of Kuan Yin Martin Palmer,Ray Ramsay.2021-03-01 The best and most comprehensive book on the most important and best-loved Chinese goddess. Walk down the streets of Chinatown in any American or western European city and look around. She is there. Walk through the downtown streets, look in a shop window. She is there. Go to any city in China and open your eyes. She is there, too. Kuan Yin is the most ubiquitous Chinese deity—and the most loved. She is the living expression of compassion whose gentle face and elegant figure form the center of devotion in most Chinese homes and workplaces. Until relatively recently, she was barely known in the West, and few studies had been made of her. Originally published as *Kuan Yin* by Harper Collins in 1995 (and republished as *The Kuan Yin Chronicles* by Hampton Roads in 2009), this seminal work explores the origins and evolution of the goddess in ancient China, early Buddhism, Taoism, and shamanism. Religious scholar Martin Palmer and Chinese divination expert Man-Ho Kwok discuss the Kuan Yin myths and stories, and Jay Ramsay provides fresh translations of 100 Kuan Yin poems that function both as literature and divination tools. “A compelling story that reads like a detective mystery . . . and shows the contemporary reassertion of the Goddess in the hearts and minds of men and women.” —Riane Eisler, author of *The Chalice and the Blade*. Previously published as *The Kuan Yin Chronicles*.

Love's Rite R. Vanita.2005-10-20 This is the first book to examine the same-sex weddings and same-sex couple suicides reported in India over the last two decades. Ruth Vanita examines these cases in the context of a wide variety of same-sex unions, from Fourteenth-century narratives about co-

wives who miraculously produce a child together, to Nineteenth-century depictions of ritualized unions between women, to marriages between gay men and lesbians arranged over the internet. Examining the changing legal, literary, religious and social Indian and Euro-American traditions within which same-sex unions are embedded, she brings a fresh perspective to the gay marriage debate, suggesting that same-sex marriage dwells not at the margins but at the heart of culture. *Love's Rites* by Ruth Vanita is a finalist for a Lambda Literary Award.

The Qur'an & Modern Science: Compatible or Incompatible? Zakir Naik.2007 Ever since the dawn of human life on this planet, Man has always sought to understand Nature, his own place in the scheme of Creation and the purpose of Life itself. In this quest for Truth, spanning many centuries and diverse civilizations, organized religion has shaped human life and determined to a large extent, the course of history. While some religions have been based on books, claimed by their adherents to be divinely inspired, others have relied solely on human experience. Al-Qur'aan, the main source of the Islamic faith, is a book believed by Muslims, to be of completely Divine origin. Muslims also believe that it contains guidance for all mankind. Since the message of the Qur'aan is believed to be for all times, it should be relevant to every age. Does the Qur'aan pass this test? In this booklet, I intend to give an objective analysis...

Behenji Ajoy Bose.2009-03-09 This revised edition of Behenji, first published in 2008, examines Mayawati's record as chief minister since 2007. It pinpoints the reasons behind the BSP's poor performance in the 2009 Lok Sabha polls, her return to the Dalit agenda prior to the 2012 assembly elections, as well as its surprising results. Also scrutinized are Mayawati's performance as a dalit leader and administrator, besides the rampant corruption and failure of her social engineering project during these years. Though no longer likely to become prime minister, the author sees Mayawati playing a pivotal role in UP, and, indeed, Indian politics post the 2014 elections.

Of Gardens and Graves Suvir Kaul.2017-01-13 In *Of Gardens and Graves* Suvir Kaul examines the disruption of everyday life in Kashmir in the years following the region's pervasive militarization in 1990. Kaul's autobiographical and analytical essays, which were prompted by his yearly visits to Kashmir, are a combination of political analysis, literary criticism, memoir, and journalistic observation. In them he explores Kashmir's pre- and post-Partition history, the effects of militarization, state repression, the suspension of civil rights on Kashmiris, and the challenge Kashmir represents to the practice of democracy in India. The volume also features translations of Kashmiri poetry written in these years of conflict. These poems constitute an archive of heightened feelings and desires that affectively interrogate official accounts of Kashmir while telling us much about those who face

extraordinary political turbulence and violence. Of Gardens and Graves also contains a photo essay by Javed Dar, whose photographs work together with Kaul's essays and the poems to represent the interweaving of ordinary life, civic strife, and spectacular violence in Kashmir.
