**Law Of Attraction** Zachariah Albert.2019-04-05 Are you ready to manifest anything you want into your life? Looking closely at our everyday life, you will realize that the law of attraction is present all the time. Most people do not notice the connection because of the time lag between their thoughts and the manifestation of their thoughts. However, there are some things that happen to us that we feel happened as a result of a coincidence, not knowing it is the law of attraction that is at work. For instance, have you ever thought of calling a friend, and the friend calls you around that time? Or have you ever thought of picking up your phone, and your phone rings at that instance? These experiences are not coincidences; they are a result of the law of attraction. We get more of what we focus on in life. That is why you need to get more creative with your thoughts. In this book, I am going to show you how you can consciously and deliberately attract good things into your life by aligning your thoughts in the right way. Focusing more on things that make you happy increases your chances of attracting things that make you happy. The other side of this is the negative side which is when you focus on things you are not happy about, you tend to attract things that will make you sad. For instance, if you focus on wealth and good health, you attract wealth and good health. However, if you focus on poverty, you will attract a situation that will rob you of the little things you have gathered. Here's a sneak preview of what you'll learn from this book: □What the Law of Attraction is □The Science behind it □How to attract Love using the LOA □How to attract Money using the LOA □How to attract Happiness using the LOA □How to attract Health using the LOA □How to be more Positive using the LOA □How to Integrate the LOA into Your Daily Life □and much much more! **The Soulmate Secret** Arielle Ford.2011-01-04 Have you ever wondered what it takes to find the love of your life? Is it your dream to find a life partner who will love, cherish, and adore you? The Soulmate Secret will show you how to take control of your romantic destiny by using the Law of Attraction. Translated into more than twenty languages, The Soulmate Secret has become an international phenomenon. Now with a new preface and a new chapter filled with book-inspired success stories, this book shows finding true love is possible for anyone at any age if you are willing to prepare yourself, on all levels, to become a magnet for love. Arielle Ford knows this from experience. She used the techniques in this book to bring her soulmate into her life at age forty-four. They were engaged three weeks later. This ancient formula reveals that our universe is set up to deliver the people and things into our lives that are consistent with our personal belief system. If you don't believe you will ever find the One, then guess what? You probably won't. If, however, you learn to believe that the One is not only out there but is also looking for you, then true love can be yours. Using a series of processes called feelingizations—feeling in every cell of your being the outcome you want to create—Ford reveals how to manifest the man or woman of your dreams. The techniques, rituals, and projects found within these pages will allow you to prepare your home, body, mind, and spirit for the lover your heart truly desires.

**The Law of Attraction** Craig Beck.2017-02-26 The Law of Attraction can easily be understood by becoming aware that 'like attracts like' or putting it another way 'you get back what you give out'. Sounds simple, but how do you make it an automatic part of your being? An essential component of the Law of Attraction is realizing that where you fix your attention can have a powerful impact on what happens to you. However, despite what you may have been told your ability to manifest the life of your dreams has nothing to do with positive thinking and affirmations. Think anything you want but unless you believe it, you will not be sending the right vibrations out into the universe to have it appear. You see, everything in the world is just energy vibrating at different frequencies. The sports car you want is just the same as you, a collection of atomic particles fluctuating at a precise frequency to generate it's physical form. If you want the sports car in your life you simply have to send out the intention resonating at the exact same frequency. You may be wondering if this is all true then why do so many people continue to suffer with poverty, lack and want. Most people simply dismiss this theory as 'new age mumbo jumbo', but this is a law and just like any other it doesn't care whether you believe or not. The law of gravity applies its force on you regardless of what you believe and so does the law of attraction. Even though there is a great deal of value to even merely finding out what the Law of Attraction is, this profound book takes you to an advanced level of understanding. In short, if you implement everything you read in this book your life will change more positively and dramatically than you may have ever believed possible. You will come to be more attentive to underlying negativity and can begin to combat it with new beliefs and sensations that better reflect your constructive vision of the upcoming future. This ongoing focus on self-reflection also allows you to start seeing what you really want from your life, and you can then advance to developing clearer objectives with actionable steps at every stage. Broken down into seven powerful chapters, each dealing with an important area of your life. This book has the power to deliver the life of your dreams but remember whether you believe that claim or not, you are right! If you can open your mind to a concept that has already changed the lives of thousands then you have truly found the genie's lamp! - How to attract money using the law of attraction - Living in abundance - Find your soul mate and more love than you thought possible - Manifest perfect health and vitality - Ask believe receive - Becoming fearless [www.CraigBeck.com](http://www.CraigBeck.com)

There are laws that control how this energy flows and where it goes just as there are laws of gravity and laws of growth. The more you know about these laws the easier it is to navigate the energy you need in the right direction. No wonder that even stars like Will Smith, Jim Carey, Oprah Winfrey and Lady Gaga swear by manifestation as the secret to their success. Jim Carrey makes it sound really simple. He says: As far as I can tell, it's just about letting the universe know what you want and then working towards it while letting go of how it comes to pass. Yet, there are reasons why some people are better at manifesting than others. There are a couple of fundamentals you need to understand in order to apply manifestation effectively. Yet, with a little guidance and the right techniques, your best life is waiting for you. This is only a select sample of what you'll discover in *The Magic of Manifestation: Flap or Fab: Why you should care about manifestation more than you think* The scientific secret behind changing your reality Why you might be manifesting your misery and how to avoid these common mistakes The smartest and most powerful way to attract anything you want in life How scientists manipulate your life with one particular weakness that outweighs all of science's strengths (check page 27) Is everything connected? If you think manifestation is just another 2020 buzzword, then you haven't heard the success stories of millions of people who made their dreams come true with this one powerful tool. It goes from 6-year-old Kabir who manifested to become the Malaysian David Copperfield and got invited to perform in *The Magic Castle* in Hollywood to family father Daniel who manifested his dream house in Maui. Whether it's creating a new one, improving an existing one, or figuring out what to do with one that's sometimes good and sometimes not so good ..... this ebook is designed to help you embrace your power to create the love life you prefer. We'll cover the gamut together - from the most important relationship (the one with our Self), to prepping for new love, to attracting love interests, to successful dating, to enhancing existing relationships, even to navigating breakups. Since I couldn't very well tell client stories, it's filled with my own real life situations in using deliberate creation skills to manifest what I wanted in my love life. Some of these stories are embarrassing. Every one of them is revealing, but shared with the intention to inspire you as to what works and what doesn't. You'll read about my missteps as well as successes. But this is LOA for love in the real world, and if I can do anything to help you harness your power to create the love you want, telling a private story or two is a small price to pay. The concepts and principles shared in this ebook are not just pie-in-the-sky airy fairy ideas that don't translate in the real world. This stuff translates. These methods will transform your love life. And learning to focus your creative power in service of your love life is one of the most powerful skills you'll embrace. In your copy of LOA for Love you'll learn:- What to do before you do anything with anyone (I know that sounds dramatic, but it really is important!)- How to spot your love story and why it matters- Tips for upgrading the story you tell about your relationships- A manifesting technique that can dramatically change how your dating life unfolds- 3 manifesting ground rules for using law of attraction in love- How to successfully navigate difficult conversations- Where your manifesting powers are best applied when it comes to love- How to stop sabotaging your loved ones with the way you think- How law of attraction can help with your sex life- 3 tips for all lovers- Q&A section for most commonly asked questions from readers- LOA savvy words of advice for navigating breakups- How I used law of attraction to resolve a love triangle- technique I used to attract a keeper in three short weeks- How I kept my vibe straight when going through challenging breakups- Why I (sort of) regret successfully manifesting that he regretted breaking up with me... and more. You might guess this is not your typical book about manifesting love. I poured all my love into it to help you be a rock star manifester of successful relationships. In addition to amping up your love life, the tips and processes you pick up here can also be applied to transforming relationships at work and with family. Here's what others are saying about LOA for Love: Thank you for writing the book - I truly believe it's one of the best I've read in a very long time. At the end of the day, it's all about how you truly feel about yourself and what you align yourself to. - Sandra A. CONGRATULATIONS on another great ebook! Could be the best money somebody ever spends! - Anna B. Your upbeat, simplistic way of teaching is perfect! ..... short, sweet, entertaining, but really gets the point across. **The School of Greatness** Lewis Howes.2015-10-27 When a career-ending injury left elite athlete and professional football player Lewis Howes out of work and living on his sister's couch, he decided he needed to make a change for the better. He started by reaching out to people he admired, searching for mentors, and applying his past coaches' advice from sports to life off the field. Lewis did more than bounce back: He built a multimillion-dollar online business and is now a sought-after business coach, speaker, and podcast host. In The School of Greatness, Howes shares the essential tips and habits he gathered in interviewing “the greats” on his wildly popular podcast of the same name. In discussion with people like Olympic gold medalist Shawn Johnson and Pencils of Promise CEO Adam Braun, Howes figured out that greatness is unearthed and cultivated from within. The masters of greatness are not successful because they got lucky or are innately more talented, but because they applied specific habits and tools to embrace and overcome adversity in their lives. A framework for personal development, The School of Greatness gives you the tools, knowledge, and actionable resources you need to reach your potential. Howes anchors each chapter with a specific lesson he culled from his greatness “professors” and his own experiences to teach you how to create a vision, develop hustle, and use dedication, mindfulness, joy, and love to reach goals. His lessons and practical exercises prove that anyone is capable of achieving success and that we can all strive for greatness in our everyday lives.

**Manifesting Love** Eddie Coronado.2017-06-19 This book includes 250 affirmations for manifesting love AND it includes a number of visualization scripts and success stories that will empower you to manifest your soul mate! If you have read my other books you know that I am a firm believer in the fact that the Law of Attraction always responds to persistent, committed action. It does so because it is a spiritual law that responds to human belief in the same way that the laws of nature respond to all who use them. And being a spiritual law, it works for everyone in the same way no matter how young or old a person is, or how rich or poor. Daily, committed action is the single factor that will determine your success with the Law of Attraction, whether you choose to manifest financial abundance, a satisfying career, or the love of your life. In fact, the phrase Law of Attraction contains the word ACTION, which means that your success with this spiritual power requires you to take committed, daily action by aligning your thoughts, words and feelings to your intention. Once you have transformed your beliefs about what is possible, your desire will show up in your life. Unfortunately, many people on this spiritual path read book after book about the Law of Attraction, yet they fail to take the daily, committed action that will help them manifest their desires. My goal is that you succeed with your intention to manifest true and lasting love, so I wrote this book as a clear guide that will provide you with easy-to-use, practical tools that will help you manifest your soul mate. In fact, the information in this book has helped many people attract a soul mate, and it can work for you, too. WHAT THIS BOOK CONTAINS This is not another Law of Attraction book filled with fluff and filler. It's an instruction manual that gets right to the point by explaining exactly what you must do to manifest your soul mate with the Law of Attraction. Using proven metaphysical practices, spiritual insights, and success stories, I explain how you can create your intention and then manifest your soul mate by using the tools of manifestation correctly and consistently. By the time you finish reading this book, you will know exactly what you must do to manifest a loving relationship. PART 1 of this book discusses the creative power of feelings and how you can use them to create the things and conditions you desire. This section also explains how to get clear about what you want by creating an Intention Statement and a list of desirable qualities that reflect your specific desires. PART 2 discusses the dynamic power of the spoken word and explains how you can use your words to shape your destiny. It also contains a list of 250 spoken affirmations that will enable you to harness the power of the spoken word to manifest the love of your life. PART 3 explains how you can use visualization to manifest your soul mate. It also contains a number of detailed visualization scripts and success stories that will inspire you to use your imagination to create the life of your dreams. PART 4 includes a detailed question and answer section that addresses some of the most important questions that relate to manifesting love. And PART 5 explains how you can implement a Law of Attraction action plan for love and romance.

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful

and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
