*One Hot Holiday* Cynthia Eden.2019-11-19 She's running for her life. He's the safe haven she never expected to find. The holiday season is about to get HOT. Hiding out for the holiday season in the heart of the South? Not something that Haley Quick ever expected to have on her to-do list but then...she never expected her ex to want her dead, either. Turns out, life is full of surprises. Time to deal. Haley has ditched New York for a crazy little dot on the map known as Point Hope, Alabama. It's a town gone extra crazy for the holidays, and Haley is sticking out like a sore thumb with her very much Grinch-self. But enter sexy sheriff Spencer Lane...Tall, muscled, and made with an extra dose of sex appeal, he is exactly the kind of man that Haley should be avoiding. He's charming, he looks way too good in a Santa hat, and, oh, yes, he's her new landlord. The hits just keep coming. She can't afford to let Spencer learn all of her secrets, a tough job since she is living with the man. No sex, though. It's purely a business relationship. Except...the holidays in the South sure do get HOT. Or maybe that's just sexy Spencer. Usually, Haley falls for the bad guy. It's the whole reason she's running for her life. She can't help but wonder...What would it be like to fall for a man like Spencer? He just got his Christmas wish. Sheriff Spencer Lane can't believe his luck. The most beautiful, fascinating woman he's ever seen has just dropped into his life like a gift from, well, the big guy in red. Only the problem is that Haley seems to think Spencer is some by-the-book, nice guy. Probably because of the badge. And if she wants him to be the hero, that's a role that he's happy to play for her. But the truth is, Spencer has plenty of darkness inside, too. An ex Navy SEAL, he knows how to get sh—um, stuff done. He also knows how to be very, very naughty. When danger threatens his Haley, all bets are off. No one is going to hurt her. No one is going to threaten her. Not in his town. Not on his watch. The nice guy will show Haley just how bad he can be. Fake snow, a parade of wild elves, and a stalker ex don't make for the merriest of times, but in Point Hope, anything can happen—and it usually does. Ready for a steamy story that will get you in the ho-ho-ho spirit? Settle back, curl up with Spencer, and have yourself a jolly old time.

**Death Waits in the Dark** Mark Edward Langley.2020-08-04 It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.

**My Bestie's Dad** Cassandra Dee.2020-11-05 I went to a depraved club and came out pregnant by my best friend's dad. Some girls have all the luck. They meet their man, get married, and start cranking out babies. But I'm not like that. I like things a little different, so I go to the place that satisfies those dark desires: The Cube. What we do in the club is off-limits and taboo to normal society, but it scratches an itch I have deep inside. Unfortunately, one night I meet a man at the Cube who takes my breath away. He's just as dark, dangerous and twisted as me, but then his mask falls away ... AND IT'S MY BEST FRIEND'S DAD! Omg, I've had a crush on Brent Marshall for years. And now he's being naughty with me, his daughter's childhood buddy. What do we do? Or more accurately, what happens when I get pregnant from our illicit encounter? Hold onto your horses because Jane Cuesta is a bad girl. She's got an innocent exterior, but the curvy girl likes things a certain way and Brent Marshall is just the man to give her what she needs. Sure, he's known her since she was practically a baby, but that's why it's so forbidden ... and so mind-blowingly yummy! No cheating, no cliffhangers, and always a HEA for my readers. This book features characters that initially appeared in *My Dad's Business Partner*, but both books are standalones and can be read on their own. You'll love them, I promise! Xoxo, Cassandra

**Local Souls** Allan Gurganus.2013-09-23 "This book underscores what we have long known—Gurganus stands among the best writers of our time." —Ann Patchett Through memorable language and bawdy humor, Gurganus returns to his mythological Falls, North Carolina, home of Widow. This

first work in a decade offers three novellas mirroring today's face-lifted South, a zone revolutionized around freer sexuality, looser family ties, and superior telecommunications, yet it celebrates those locals who have chosen to stay local. In doing so, *Local Souls* uncovers certain old habits—adultery, incest, obsession—still very much alive in our New South, a Winesburg, Ohio with high-speed Internet. Wells Tower says of Gurganus, No living writer knows more about how humans matter to each other. Such ties of love produce hilarious, if wrenching, complications: *Fear Not* gives us a banker's daughter seeking the child she was forced to surrender when barely fifteen, only to find an adult rescuer she might have invented. In *Saints Have Mothers*, a beloved high school valedictorian disappears during a trip to Africa, granting her ambitious mother a postponed fame that turns against her. And in a dramatic *Decoy*, the doctor-patient friendship between two married men breaks toward desire just as a biblical flood shatters their neighborhood and rearranges their fates. Gurganus finds fresh pathos in ancient tensions: between marriage and Eros, parenthood and personal fulfillment. He writes about erotic hunger and social embarrassment with Twain's knife-edged glee. By *Loving Falls*, Gurganus dramatizes the passing of Hawthorne's small-town nation into those Twitter-nourished lives we now expect and relish. Four decades ago, John Cheever pronounced Allan Gurganus the most technically gifted and morally responsive writer of his generation. *Local Souls* confirms Cheever's prescient faith. It deepens the luster of Gurganus's reputation for compassion and laughter. His black comedy leaves us with lasting affection for his characters and the aching aftermath of human consequences. Here is a universal work about a village.

**The War of the Three Gods** Peter Crawford.2014-09-16 *The War of the Three Gods* is a military history of the Near and Middle East in the seventh century—with its chief focus on the reign of the Eastern Roman Emperor Heraclius (AD 610–641)—a pivotal and dramatic time in world history. The Eastern Roman Empire was brought to the very brink of extinction by the Sassanid Persians before Heraclius managed to inflict a crushing defeat on the Sassanids with a desperate, final gambit. His conquests were short-lived, however, for the newly converted adherents of Islam burst upon the region, administering the coup de grace to Sassanid power and laying siege to Constantinople itself, ushering in a new era. Peter Crawford skillfully narrates the three-way struggle between the Christian Roman, Zoroastrian Persian, and Islamic Arab empires, a period of conflict peopled with fascinating characters, including Heraclius, Khusro II, and the Prophet Muhammad himself. Many of the epic battles of the period—Nineveh, Yarmuk, Qadisiyyah and Nahavand—and sieges such as those of Jerusalem and Constantinople are described in as rich detail. The strategies and tactics of these very different armies are discussed and analyzed, while plentiful maps allow the reader to follow the events and varying fortunes of the contending empires. This is an exciting and important study of a conflict that reshaped the map of the world. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. *Television and the Aggressive Child* L. Rowell Huesmann, Leonard D. Eron.2013-06-19 The research presented in this book, originally published in 1986, looks to pinpoint the psychological processes involved in the media violence-aggression relation. Expanding on earlier studies, the compilation of essays here delves deeply into aggression study and compares results about media influence across 5 countries. Cultural norms and programming differences are investigated as well as age and gender and other factors. What is offered overall is a psychological model in which TV violence is both a precursor and a consequence of aggression.

**No Sense of Place** Joshua Meyrowitz.1986-12-11 How have changes in media affected our everyday experience, behavior, and sense of identity? Such questions have generated endless arguments and speculations, but no thinker has addressed the issue with such force and originality as Joshua Meyrowitz in No Sense of Place. Advancing a daring and sophisticated theory, Meyrowitz shows how television and other electronic media have created new social situations that are no longer shaped by where we are or who is with us. While other media experts have limited the debate to message content, Meyrowitz focuses on the ways in which changes in media rearrange who knows what about whom and who knows what compared to whom, making it impossible for us to behave with each other in traditional ways. No Sense of Place explains how the electronic landscape has encouraged the development of: -More adultlike children and more childlike adults; -More career-oriented women and more family-oriented men; and -Leaders who try to act more like the person next door and real neighbors who want to have a greater say in local, national, and international affairs. The dramatic changes fostered by electronic media, notes Meyrowitz, are neither entirely good nor entirely bad. In some ways, we are returning to older, pre-literate forms of social behavior, becoming hunters and gatherers of an information age. In other ways, we are rushing forward into a new social world. New media have helped to liberate many people from restrictive, place-defined roles, but the resulting heightened expectations have also led to new social tensions and frustrations. Once taken-for-granted behaviors are now subject to constant debate and negotiation. The book richly explicates the quadruple pun in its title: Changes in media transform how we sense information and how we make sense of our physical and social places in the world.

*The Antichrist and Ecce Homo* Friedrich Nietzsche.2020-11-26 The Antichrist: Is probably the most well-known work of German Philosopher Friedrich Nietzsche. He used this book to speak on his disdain for organized religion. One of his most talked about and enduring lines from the book is 'God is dead.' He believed that people should not turn to traditional Christian values but more toward science or nationalism. Nietzsche's title, The Antichrist, had less to do with the Bible and more to do with his view of the 'slave morality' of Western Christianity.The Antichrist goes on to say that Christianity put weakness where virtue should be. He felt that the civilization was moved to feel sorry for people and that sentiment made people weaker. He felt the best course of action was strength. If people could be stronger through self-reliance and things that were tangible, then society

as a whole could be stronger. Nietzsche believed that each person should make their own way through individual experience. He felt that this goal should not be an aspiration that a person should hope to achieve, but one that should be lived in daily life. *Ecce Homo*: In late 1888, only weeks before his final collapse into madness, Nietzsche (1844-1900) set out to compose his autobiography, and *Ecce Homo* remains one of the most intriguing yet bizarre examples of the genre ever written. In this extraordinary work Nietzsche traces his life, work and development as a philosopher, examines the heroes he has identified with, struggled against and then overcome - Schopenhauer, Wagner, Socrates, Christ - and predicts the cataclysmic impact of his 'forthcoming revelation of all values'. Both self-celebrating and self-mocking, penetrating and strange, *Ecce Homo* gives the final, definitive expression to Nietzsche's main beliefs and is in every way his last testament.

*To My Arrogant Boss* J. S. Cooper.2021-01-01 To Mr. Tate Howard, You are quite possibly the most infuriating, annoying and grumpy man I’ve ever met in my life. I know you think that you’re God’s gift to women, but I have a secret to let you in on: you’re not. You’re God’s gift to yourself. Get over your wanna-be cool surfer self and grow up. I thought it was time that someone addressed your big head and told you straight to your face that you’re not all that. Just because you have an Ivy league education doesn’t mean you’re the smartest man in the world. In fact, I’m not even sure if you would have gotten in if you didn’t have rich parents. Yes, I went there. Every woman doesn’t want to sleep with you and I’m sure you’re not even good in bed. And I’m someone that would know. From, Your Secret Not Admirer

**The Age of Missing Information** Bill McKibben.2014-09-03 “Highly personal and original . . . McKibben goes beyond Marshall McLuhan’s theory that the medium is the message.” —The New York Times Imagine watching an entire day’s worth of television on every single channel. Acclaimed environmental writer and culture critic Bill McKibben subjected himself to this sensory overload in an experiment to verify whether we are truly better informed than previous generations. Bombarded with newscasts and fluff pieces, game shows and talk shows, ads and infomercials, televangelist pleas and Brady Bunch episodes, McKibben processed twenty-four hours of programming on all ninety-three Fairfax, Virginia, cable stations. Then, as a counterpoint, he spent a day atop a quiet and remote mountain in the Adirondacks, exploring the unmediated man and making small yet vital discoveries about himself and the world around him. As relevant now as it was when originally written in 1992—and with new material from the author on the impact of the Internet age—this witty and astute book is certain to change the way you look at television and perceive media as a whole. “By turns humorous, wise, and troubling . . . a penetrating critique of technological society.”—Cleveland Plain Dealer “Masterful . . . a unique, bizarre portrait of our life and times.” —Los Angeles Times “Do yourself a favor: Put down the remote and pick up this book.” —Houston Chronicle
