Underwater Dogs Seth Casteel.2012-10-23 The exuberant, exhilarating photographs of dogs underwater that have become a sensation From the water's surface, it's a simple exercise: a dog's leap, a splash, and then a wet head surfacing with a ball, triumphant. But beneath the water is a chaotic ballet of bared teeth and bubbles, paddling paws, fur and ears billowing in the currents. From leaping Lab to diving Dachshund, the water is where a dog's distinct personality shines through; some lounge in the current, paddling slowly, but others arch their bodies to cut through the water with the focus and determination of a shark. In more than eighty portraits, award-winning pet photographer and animal rights activist Seth Casteel captures new sides of our old friends with vibrant underwater photography that makes it impossible to look away. Each image bubbles with exuberance and life, a striking reminder that even in the most loveable and domesticated dog, there are more primal forces at work. In *Underwater Dogs*, Seth Casteel gives playful and energetic testament to the rough-and-tumble joy that our dogs bring into our lives.

Wild Horses of the Summer Sun Tory Bilski.2019-05-07 A wondrous story of adventure and friendship featuring a group of women who ride Icelandic horses. Blame it or praise it, there is no denying the wild horse in us. - Virginia Woolf Each June, Tory Bilski meets up with fellow women travelers in Reykjavik where they head to northern Iceland, near the Greenland Sea. They escape their ordinary lives to live an extraordinary one at a horse farm perched at the edge of the world. If only for a short while. When they first came to Thingeyar, these women were strangers to one another. The only thing they had in common was their passion for Icelandic horses. However, over the years, their relationships with each other deepens, growing older together and keeping each other young. Combining the self-discovery of Eat, Pray, Love, the sense of place of Under the Tuscan Sun, and the danger of Wild, Wild Horses of the Summer Sun revels in Tory's quest for the wild inside her. These women leave behind the usual troubles at home: illnesses, aging parents, troubled teenagers, financial worries and embrace their desire for adventure. Buoyed by their friendships with each other and their growing attachments and bonds with the otherworldly horses they ride, the warmth of Thingeyrar's midnight sun carries these women through the rest of the year's trials and travails. Filled with adventure and fresh humor, as well as an incredible portrait of Iceland and its remarkable equines, Wild Horses of the Summer Sun will enthrall and delight not just horse lovers, but those of us who yearn for a little more wild in everyday life.
