Making Art History in Europe After 1945 Noemi de Haro García,Patricia Mayayo,Jesús Carrillo.2020-02-24 This book analyses the intermeshing of state power and art history in Europe since 1945 and up to the present from a critical, de-centered perspective. Devoting special attention to European peripheries and to under-researched transnational cultural political initiatives related to the arts implemented after the end of the Second World War, the contributors explore the ways in which this relationship crystallised in specific moments, places, discourses and practices. They make the historic hegemonic centres of the discipline converse with Europe's Southern and Eastern peripheries, from Portugal to Estonia to Greece. By stressing the margins' point of view this volume rethinks the ideological grounds on which art history and the European Union have been constructed as well as the role played by art and culture in the very concept of 'Europe.'

Bosnian, Croatian, Serbian, a Textbook Ronelle Alexander, Ellen Elias-Bursac.2010-03-01 Three official languages have emerged in the Balkan region that was formerly Yugoslavia: Croatian in Croatia, Serbian in Serbia, and both of these languages plus Bosnian in Bosnia-Herzegovina. *Bosnian, Croatian, Serbian, a Textbook* introduces the student to all three. Dialogues and exercises are presented in each language, shown side by side for easy comparison; in addition, Serbian is rendered in both its Latin and its Cyrillic spellings. Teachers may choose a single language to use in the classroom, or they may familiarize students with all three. This popular textbook is now revised and updated with current maps, discussion of a Montenegrin language, advice for self-study learners, an expanded glossary, and an appendix of verb types. It also features: • All dialogues, exercises, and homework assignments available in Bosnian, Croatian, and Serbian • Classroom exercises designed for both small-group and full-class work, allowing for maximum oral participation • Reading selections written by Bosnian, Croatian, and Serbian authors especially for this book •

Vocabulary lists for each individual section and full glossaries at the end of the book • A short animated film, on an accompanying DVD, for use with chapter 15 • Brief grammar explanations after each dialogue, with a cross-reference to more detailed grammar chapters in the companion book, *Bosnian, Croatian, Serbian, a Grammar*.

Some of your search results may also be related works with the same title.
