The Robots' Rebellion - The Story of Spiritual Renaissance David Icke.1999-08-26 David Icke's strongest book to date, *The Robots' Rebellion* reveals the alarming extent to which people of all nations are programmed by the ideas fed to them by those in power. We live in a world which is increasingly dominated by technology but, according to Icke, it is we who are the robots. Fearlessly, he tears down the veils of hypocrisy, built up for generations by the corrupt forces of Church, State, science and commerce — and reveals the true pathos of the human condition beneath. He points, too, to the frightening influence wielded throughout the planet by a merciless and manipulative network of secret societies. The existence of long-established links between Earth-bound humanity and beings from other dimensions and

planets in the Universe has been suppressed for years, says Icke, by the world's power-broking hierarchy. When ordinary people learn the real role they have to play within a rich and varied cosmic society, rebellion against those who have kept this extraordinary truth from them will, he predicts, be inevitable. The author is no stranger to controversy. Formerly best-known as a TV sports commentator and leading spokesman for the British Green Party, he is gaining increasing authority as a tireless campaigner for truth. His widely-publicised spiritual transformation has given him the courage to speak out fearlessly against lies deceit. Hidebound politicians, bankers, economists, educationalists, scientists and the leaders of the world's established religions are not going to welcome Icke's challenging book. But it is not intended for those who wield and abuse power. This book is for the world's unwilling robots who, says Icke, in an upbeat conclusion, have it within themselves to rise up — and take control of their own exciting destiny. **The Robots' Rebellion:** Table of Contents Introduction Remember Who You Are PART ONE: The Darkness - The Takeover Bid - Collective Amnesia - The Brotherhood of Clans - Bible Stories - Hell on Earth - Arabian Knights - The Cracks Appear - Eagle Tails - The Rule of Science - The World at War - Big is Beautiful - The New World Order - When Will We Ever Learn? have made a home for themselves; rewritten and falsified history; ancient creation myths are actually true These are Icke's themes. An attractive and mad collection of ideas, for sure. And yet there is something about them or concealed in them which is right for these days. What is it which makes Icke so impressive at the same time as his writing is - mostly - so improbable?

The Only Real God Isn't Unkind, Physical Or Religious

Nicolas Pascal.2019-04-08 Nic, your book - 'The Only Real God, Isn't Unkind, Physical or Religious, ' - is amazing. It answers everything with such clarity and understanding and incorporates science and religion so eloquently. It resonated with me in every possible way and it will be a book that I constantly refer to, as it contains information that is well articulated yet so easy to read. Congratulations and Lots of Love, Carol - Carol Clarke, Psychic to David Icke.This new age book is about the one and only God that is never mentioned in any religion. The Absolute. The Only Real God Isn't Unkind, Physical or Religious... challenges our beliefs and understanding about God. God doesn't require our subservience like we have been led to believe. God is the foundation of us and everything physical and non-physical in existence.HERE IS SOME INSIGHT ABOUT THE ONLY REAL GOD.- God isn't human and never was.- God has no name, gender or identity- Religion is necessary for hope and solidarity but mostly lacks any truth.- God neither is fair nor unfair to anyone... we as a physical part of God have already decided our lessons and fate.- God is actually the highest intelligence possible, that knows that the only way to exist, is through love, compassion and humility, no matter the entity, planet or universe.This book is a self-help book, with inspirational ideas about spirituality. It will answer all your questions and boost your self-esteem, if you have come to a point in your life, where your religious devotion, has

Human Race Get Off Your Knees David Icke. 2010 David Icke marks his 20th year of uncovering astounding secrets and suppressed information with the publication of his most amazing book yet: *Human Race Get off Your Knees : The Lion Sleeps No More*. He takes the manipulation of the human race and the nature of reality to still new levels of understanding and he calls for humanity to rise from its knees and take back the world from the sinister network of families and non-human entities that covertly control us from cradle to grave. His most staggering revelation is that the Earth and the collective human mind is manipulated from the Moon, which, he says, is not a 'heavenly body, but an artificial construct - a gigantic 'spacecraft' (probably a hollowed-out 'planetoid') - which is home to the extraterrestrial group that has been manipulating humanity for aeons. Humanity is at a fork in the road and it is time to make a choice. Are we going to awaken to our true genius and potential as Infinite Consciousness? Or are we going to remain entrapped in body/mind and the manufactured illusions of the Moon Matrix? It is time to shake off the shackles, stop being Pavlov's dogs and grab reality by the balls and wake up to who we are truly meant to be.

information, presented in a way that everyone can understand, is a life-changing exposure of both the illusion we believe to be 'real' and the way this illusion is generated and manipulated to imprison us in a false reality. Icke explains how we 'live' in a 'holographic internet' in that our brains are connected to a central 'computer' that feeds us the same collective reality that we decode from waveforms and electrical signals into the holographic 3D 'world' that we all think we see.

The Biggest Secrets of David Icke Bob Part.2022-10-30 For over 30 years David Icke has been writing about his views on how the world works. Who are we? Who runs the world? Why are things set up as they are? Why are there wars? Why do governments act as they do? What are UFO's and ghosts? Are we really told about the real history of humans on earth? Sometimes controversial, former BBC television presenter Icke is always in the public eye and many are interested in his thoughts. Read more about Icke's theories with this book.

Heal the World David Icke.1999-05-24 The Earth is in crisis. Clearly, humanity has lost touch with Nature. We are, every second, committing appalling damage to the environment, to ourselves, to other species and to the home we share. The answers to environmental decline will not come by trying to

persuade politicians and industrialists that urgent and fundamental changes are required. They are motivated by the need to get elected and by self-interest. Neither scientists nor the church seem to know what needs to be done either. What can WE do to heal the world? Former television personality turned world visionary, David Icke gives positive suggestions about how to discover our path and recognise that we are part of a larger consciousness, connecting with others and learning how to heal the Earth. He says we have to begin at home. Healing others and healing the world has to start with self-healing, rediscovering self-respect and love in one's own life. Freedom starts with learning and overcoming fear and guilt and releasing our social conditioning. Judging others can become listening and understanding. We need to rediscover Earth's energies and the special places where we can best connect with these energies, and balance the negative and positive. Formerly best-known as a TV sports commentator and leading spokesman for the British Green party, David Icke has gained increasing authority as a tireless campaigner for truth. His widely publicised spiritual transformation has given him the courage to speak out fearlessly against lies and deceit. David's engaging, readable style allows complex ideas to be easily understood. He travels extensively, offering public talks and discussions around the UK and USA about the world transformation.

The David Icke Guide to the Global Conspiracy (and how to End It) David Icke.2007 The David Icke Guide to the Global Conspiracy is both extraordinary and unique. It is a masterpiece in dot-connecting and reveals the hidden links to apparently unconnected people, events and subjects to show how it all fits together.

Tales from the Time Loop David Icke.2003 Tales from the Time Loop is the most comprehensive book yet written about the global conspiracy that emerges more clearly every day. David Icke has been warning for well over a decade of the plan for a world fascist

state, a global version of Nazi Germany, in which the people will be prisoners of a Big Brother dictatorship founded on the suppression of the most fundamental freedoms and total control and surveillance. Today there is a gathering awareness that he was right. People are realising that Big Brother is no longer coming. He's here.

Everything You Need to Know But Have Never Been Told David Icke.2017-11-18 I want to make it clear before we start what the title represents. Everything You Need To Know, But Have Never Been Told does not refer to all that people need to know in terms of information and knowledge. How could you put that between two covers? Religious books claim to do this but they are works of self-delusion and perceptual imprisonment. Everything You Need To Know in this case refers to the information necessary to open entirely new ways of thinking and perceiving reality, both in the seen and unseen, from which everything else will come. This book is a start not a finish. It is written in layers with information placed upon information that together reveals the picture by connecting the parts. The parts are fascinating, but the picture is devastating. Prepare for a perception reboot!]

Truth Vibrations - David Icke's Journey from TV Celebrity to World Visionary

David Icke.1999-08-26 Truth Vibrations is the first book in New Age visionary and conspiracy theorist David Icke's series of groundbreaking exposés of the mysteries of life, the possibilities for the future of humanity, and the history of the global conspiracy known as the New World Order. On 29 March 1990, David Icke visited a healer. What happened that day and in the months that followed changed his life forever. The former professional footballer, TV presenter and Green politician found himself on a wondrous, transformative journey of discovery. Guided by master souls from other dimensions, he went to Canada, the United States and all over Britain, meeting sensitives and helping to balance the disturbed earth's energy systems. This journey led David Icke to write the explosive Truth Vibrations, a revelatory book which looks at the great mysteries which for centuries have baffled scientists, doctors and historians were unravelled for David Icke: why are we here? What is the truth about God and Jesus? What happens to us when we die? What are crop circles and who makes them? Did Atlantis exist? Most importantly, David Icke reveals who the Illuminati and the Babylonian Brotherhood are, exposing a global conspiracy that has been controlling the fate of the world's people for century by keeping it in a state of mass hypnosis. But David Icke's Truth Vibrations also offers hope, through his new vision of the world and his prediction for an Age of Aquarius. Through his visions, David Icke has learned what is to befall humanity and what steps we can take to reduce the physical and emotional impact of the enormous changes that are about to confront our planet and all life upon it. During his spiritual journey, he discovered the truth vibration, an energy frequency which can break us out of our

hypnotised state and allow us to face the challenges of the twenty-first century. Many of the events he predicted in the eye-opening Truth Vibrations over 20 years ago have since come to pass, making David Icke's extraordinary story and the message that Truth Vibrations brings to every man, woman and child of supreme importance to the future of planet Earth. It is a must-read and will change your view of the New World Order forever. 1000 David Icke Facts Mason Matthews.2021-05-14 David Icke is probably the most famous conspiracy theorist in the world. His journey from football league goalkeeper to BBC sports presenter to Green Party spokesperson to controversial conspiracy theorist is so bizarre you couldn't make it up if you tried. Icke believes that interdimensional reptiles secretly run the world and we are all trapped in a holographic Matrix projected from Saturn. According to David Icke, we are beings of pure awareness and infinite consciousness who are imprisoned in a constrictive 'five sense reality' by a Satanic blood drinking Illuminati who feed off negative energy and fear. Is David Icke a visionary or a crackpot? And why has he become so controversial of late? Hopefully, by the end of this book, you should have a much better grasp on Icke's life and theories. Is the moon a spaceship? Do we live in the Matrix? Are the politicians who govern us shapeshifting blood drinking reptiles? Is the reptilian Illuminati theory proven by ancient serpent and reptile worship and art? Are terrorist atrocities false flag operations? Is time an illusion? Are the theories of David Icke original or did he simply copy other writers? You will find plenty of material on these and many other strange and curious questions in 1000 David Icke Facts.

experience the psychological phenomena of cognitive dissonance, where our beliefs and behaviour are in conflict, and Stockholm syndrome - the traumatic bonding with a captor. Our ability to decode reality is linked to what we are able to perceive. Icke believes our reality has been hijacked by an invisible force the Gnostics used to call Archons. He maintains that we are headed towards a cashless world and human settlements which are projected as local community initiatives but are actually centralized systems of control. Our health is being systematically weakened: if you are sick, you are easier to control. Icke's dystopian view of the future assumes that the masses will stay glued to their TVs, locked forever into the hive mind of the Matrix, which says I have no power. Can humanity break free? Through truth and love we can become who and what we really are.

The Arcturians, a much more powerful race of multidimensional extraterrestrials, are right now helping to heal the planet and raise its vibrational frequency by removing alien Reptilians and sending them to the Light. The Arcturians are highly advanced, very loving and peaceful beings from Arcturus, a star in the Bootes Constellation. The word meaning of Sanathana Sarathi is the 'Eternal Charioteer'. It signifies the presence of the Lord in every being as the atma guiding their lives like a charioteer. It implies that he who places his life, the body being likened to a chariot, in an attitude of surrender in the hands of the Lord, will be taken care of by the Lord even as a charioteer would take the occupant of his chariot safely to its destination. The magazine is an instrument to disseminate spiritual knowledge for the moral, physical and mental uplift of humanity without any discrimination as the subject matter discussed therein is always of common interest and of universal appeal.
