The Grand Strategy of the Byzantine Empire Edward Luttwak.2009-11 In this book, the distinguished writer Edward N. Luttwak presents the grand strategy of the eastern Roman empire we know as Byzantine, which lasted more than twice as long as the more familiar western Roman empire, eight hundred years by the shortest definition. This extraordinary endurance is all the more remarkable because the Byzantine empire was favored neither by geography nor by military preponderance. Yet it was the western empire that dissolved during the fifth century. The Byzantine empire so greatly outlasted its western counterpart because its rulers were able to adapt strategically to diminished circumstances, by devising new ways of coping with successive enemies. It relied less on military strength and more on persuasion—to recruit allies, dissuade threatening neighbors, and manipulate potential enemies into attacking one another instead. Even when the Byzantines fought—which they often did with great skill—they were less inclined to destroy their enemies than to contain them, for they were aware that today’s enemies could be tomorrow’s allies. Born in the fifth century when the formidable threat of Attila’s Huns were deflected with a minimum of force, Byzantine strategy continued to be refined over the centuries, incidentally leaving for us several fascinating guidebooks to statecraft and war. *The Grand Strategy of the Byzantine Empire* is a broad, interpretive account of Byzantine strategy, intelligence, and diplomacy over the course of eight centuries that will appeal to scholars, classicists, military history buffs, and professional soldiers.

Male Chastity Keyholder Guide Mistress Dede.2015-01-08 There is a lot of variety in the world of fetish and kink, with limitless possibilities for creativity in sensual play. Many people unfamiliar with this lifestyle immediately focus on the more obvious or superficial aspects, like honorific nicknames or corsets and leather boots. But for people who participate in fetishes as a lifestyle, the practices and games are an essential part of their relationship, with its own set of rules and standards. One particularly interesting subculture within the world of kink is that of the female keyholder and her chastised male subordinate. The phrase male chastity probably immediately spooks some men, or excites others (whether they are willing to admit it or not). Either attitude is amusing to the sophisticated woman with a predilection for domination and control. For submissive men, there are many benefits to a male chastity arrangement. The calculating domme will use all of her feminine charms to her advantage, establishing a system of rules meant to keep her man under lock and key. Literally. The popularity of male chastity devices has soared in recent years, and although this be taboo, it's something many people talk about behind closed doors. Conveniently hidden under clothes, male chastity devices provide necessary restriction for the man and allowing his dominant complete control over his orgasms. These devices are a valuable tool for the modern dominant woman, and excellent for contemporary tease and denial games. Exploring male chastity can be a fun new game for adventurous couples, or a complete long-term lifestyle for kinky pairs. Whatever the relationship type, employing a male chastity device sends a clear message: he's on lockdown, and she holds the key.

The Dominatrix Manual Mistress Dede.2015-02-13 Have you ever wondered what it would be like to be a dominant woman who can control a man with just a look or a word? When the thoughts of being in control creep into your head, that sexy little smile starts to play over your lips, and you start to get some ideas that you want to try on your man. As women, we have all been there, but being women, many of us are unable to take hold of our control and dominate a man. The idea of being a dominatrix is often seen as a sexual and social taboo, and many women are afraid of what society would say, what our family and friends would think, and in general, we feel that it isn't the position of a woman to take the stance of power and control. Women are seen naturally as the weaker sex, the one to be protected by a man, and the man in the relationship is often seen to be in control, the leader, the strong and dominant one. Social norms often dictate how we feel about ourselves, and sometimes, it can hinder who we really are inside. Take heed, ladies. We are women. We are strong. We are powerful. We are fierce. We are romantic. We are dynamic. We are caring. We are fighters. We are lovers. We are women! This manual will give you an inside look on what being a Mistress is really all about and will give you insight on how to be a Mistress. Being a Mistress isn't all about leather outfits, stiletto heels, and a whip in your hand. It is a journey between you and your partner, where you are the leader, you are in control, and you have the final say. It is a path of adventure where you make the choices, you take charge, and where you can let all of your inhibitions go. It will give you insight into a new you, the one who has been trapped behind the social norms for far too long. Ladies, welcome your inner Mistress!

Becoming Yourself Alison Miller.2018-05-11 In contrast to the author's previous book, *Healing the Unimaginable: Treating Ritual Abuse and Mind Control*, which was for therapists, this book is designed for survivors of these abuses. It takes the survivor systematically through understanding the abuses and how his or her symptoms may be consequences of these abuses, and gives practical advice regarding how a survivor can achieve stability and manage the life issues with which he or she may have difficulty. The book also teaches the survivor how to work with his or her complex personality system and with the traumatic memories, to heal the wounds created by the abuse. A unique feature of this book is that it addresses the reader as if he or she is dissociative, and directs some information and exercises towards the internal leaders of the personality system, teaching them how to build a cooperative and healing inner community within which information is shared, each part's needs are met, and traumatic memories can be worked through successfully.

The Joy of Denial Ms Rika.2017-05-13 I find few more satisfying exhibitions of power and control than deliberately creating desire - only to capriciously deny it. Ms. Rika uses her extensive experience in the world of D/s to create five reality-based stories of desperation, lust, and love in a world of female dominance. If you've ever enjoyed the thrill of control, you'll love reading Ms. Rika's evil, creative, and somewhat sadistic accounts of women taking control of a man's desire. As with Rika's non-fiction books on D/s, her approach to power dynamics is centered around the dominant - what they want, what they need. In *The Joy of Denial* she explores how Tease and Denial (T&D) can be used as a tool to that end.

must read for chastity enthusiasts. Tease and denial has never been so simple. Whether you want to utilize chastity in your relationship or not, makes no difference in a modern, healthy relationship. Reading this book will give you insights into your partner's motivations like nothing before. You can take control of what you want and leave the rest to him. The Ultimate Guide to Tease & Denial is a refreshing outlook on the sexual aspect of female domination that many women find cumbersome. I remember the days when I thought being a tease was a bad thing but Mistress Ivey has completely changed my perspective with her book. She empowers women by teaching not only how to use our inherent sexual charm to mold men's behavior but why it is important to release that inner naughty girl that many of us were taught to hide. This book has opened so many new channels of thought for me as it clearly points out how vital it is to express my love for my partner by using my feminine charms to seduce him every day and in many exciting ways while keeping him hung up and thirsty for more. The Moronic Inferno Martin Amis. 2010-12-23 At the age of ten, when Martin Amis spent a year in Princeton, New Jersey, he was excited and frightened by America. As an adult he has approached that confusing country from many arresting angles, and interviewed its literati, filmmakers, thinkers, opinion makers, leaders and crackpots with characteristic discernment and wit. Included in a gallery of Great American Novelists are Norman Mailer, Gore Vidal, Truman Capote, Joseph Heller, William Burroughs, Kurt Vonnegut, John Updike, Paul Theroux, Philip Roth and Saul Bellow. Amis also takes us to Dallas, where presidential candidate Ronald Reagan is attempting to liaise with born-again Christians. We glimpse the beau monde of Palm Beach, where each couple tries to out-Gatsby the other, and examine the case of Claus von Bulow. Steven Spielberg gets a visit, as does Brian de Palma, whom Amis asks why his films make no sense, and Hugh Hefner's sybaritic fortress and sanitised image are penetrated. There can be little that escapes the eye of Martin Amis when his curiosity leads him to a subject, and America has found in him a superlative chronicler.

Male Chastity Challenge Workbook for Loving Couples Darius Night. 2021-09-26 Male Chastity Workbook for Loving Couples: Locktober can be read by those new to the practice of male chastity or by more seasoned practitioners. This monthly program with the daily tasks will keep even the more experienced spouses satisfied and locked submissives' hearts pumping hard in that sweet agony of unfulfilled desire. Male chastity is a practice that is often associated with female domination, female-led relationship (FLR), cuckolding, sissification, and forced bi. But just as often, there is nothing more than the loving relationship between the couple and the devotion from the male to focus all his sexual energy towards his partner. In this workbook, the tone and the tasks are relatively neutral regarding the other practices that you, Dear Reader, might be engaged with. There's a leaning towards female domination, which I believe goes quite naturally with the fact that she is the guardian of his orgasms. This monthly program runs through the entire Locktober, beginning on the 1st and ending only on the 31st of October. And as the name suggests, there will be no cumming for the male during the duration. Maybe in the very end, maybe not. You will have to follow through with the program to find out. Chapters are

numbered as the days of the month, and each chapter describes the task for the day. The only equipment you need is a male chastity device-- everything else you already have. And rest assured, the Keyholder will have the most sexually fulfilled month of her life.

Locked-In Love: How Two Weeks in Chastity Can End the Barter System, Renew Courtship and Make a Better Husband. Key Barrett.2018-09-24 Author Key Barrett started out writing a journal for chastity. He decided that he wanted to be locked up in chastity for seven days in order to better understand the motivation behind chastity and the emotional aspects so he could write about it with greater understanding in both his fiction and nonfiction. So he spoke with his wife and she agreed to let him go seven days in chastity with her holding the key, only unlocking him if he needed it for safety reasons, to make sure everything is working properly, or if she had sexual interest in freeing him. What started as a simple one week journal quickly blossomed into something else entirely. By the third day he was feeling butterflies just when his wife touched his hand. By day four, she noticed he was much more engaged in their household and being an active and proactive partner. What started as a week for him quickly became two weeks for them both to journal. Through chastity and communication, they identified a sexual trade-off that existed in their marriage, a 'barter system' wherein every action he engaged in had an undercurrent of sexual pressure, a literal tat-for-tit. Freed from it through a chastity device, they were able to enjoy each other on a more meaningful and trusting level. And in lowering the quantity of sex, they raised the quality. This book takes what they learned, plus surveys and research derived from male chastity users, and shows couples how they too can end the barter system, increase communication and bring back the courtship phase, butterflies and all. Learn what you can do to improve your marriage, increase intimacy, feel more connected emotionally, and make her daily life easier with a simple, sexy, fun exercise in chastity.

Tips & Tricks for Keyholders Georgia Ivey Green.2014-06-01 Georgia Ivey Green has created one of the best, most insightful books of its kind. 'Tips & Tricks For Keyholders' makes being a "woman in charge" so easy, you will wonder why you never put your man in chastity before. It is the perfect companion to 'A KeyHolder's Handbook.' This book will not only help you understand your partner, but will teach you how to make the most of a good thing. You will learn how to use his own fantasies, to talk to him, to get him to do just about anything you want him to, simply by applying the principles in this book. Her previous book 'A KeyHolder's Handbook' gave you all the basics you need to know about keeping him happy and horny. This book is an extension of that. In it you will find more tips about getting to know his fantasies and how to use them. How to get into his head. How to get him to do more for you. And you will learn many of the things your man will never tell you, that you really need to know, and how to find out what those things are.

The Medieval Chastity Belt A. Classen.2007-03-19 The chastity belt is one of those objects people have commonly identified with the 'dark' Middle Ages. This book analyzes the origin of this myth and demonstrates how a convenient misconception, or contorted imagination, of an allegedly historical practice has led to profoundly flawed interpretations of control mechanisms used by jealous husbands.

Thirty-five Castration Fantasies Aunt Cassie.2020-11-22 Here are thirty-five brief, short-story fantasies that treat femdom castration as a highly-erotic, seductive and fetishistic activity. Emphasis is on the female-dominant/male-submissive relationship and not on the gory details of the climactic act itself. The mode of the domination is purely assertive, as if it were a woman's simple, basic prerogative. No violence, gore or harsh verbal abuse is used. These little vignettes take place in a contemporary world where this kind of radical emasculation is deliciously rare and exotic but at the same time perfectly acceptable. The general settings are: suburbia, a clinic or a farm. I know how disappointing it is when you get false hopes up that a work of erotic fiction will be featuring one's favorite fetishistic details. So, in particular, the reader should be warned that no penectomy or full-blown feminization takes place. The cover art is by Sorenutz and is taken from a commission I paid him to draw. Please note: all characters are 18+. The Keyholder Elliot Silvestri.2018-08-03 Thom is a chronic masturbator and sex addict. He knows there's only one way to get himself to stop this self-abusive behavior. The hard part is actually getting his girlfriend to go along with his scheme. Kathleen is surprised and reluctant at first, but when she discovers the pleasure of being her boyfriend's keyholder, she never looks back... This is an 41,000 word novelette intended for adult audiences. Content warning: features graphic sex, male chastity, cuckolding, enforced chastity, BDSM themes, body piercing, dominant female-submissive male roles, strong language, erotic situations not all members of the public will enjoy, and other depictions of adult sexuality. Explicit language and adult only content. Excerpt: Thom found himself getting angry. "Do you know what it's like?" he asked her, his voice barely controlled

with anger. "Having to do it three times a day—or more? I've done that ever since I've hit puberty. I can't control it. I've tried! Do you know how many times I've gotten caught in college? Everyone in my dorm thought I had a real problem. I know where every bathroom in my office is, private or not, so I can do it in relative peace when I need to. That's my big fear at work, getting caught." "Geez, Thom. You need to get ahold of yourself." "That's the problem isn't it?" he joked. She stopped chopping the vegetables and stared at him, long and hard, with the knife in her hand. "Sorry," he apologized. "But you don't realize how bad it is for me sometimes." Kathleen had little sympathy for him as she set on chopping up two green peppers. "It's not like I've ever really told you no." "I know, I know, but sometimes I just have this need for release and I don't want to be bothered having sex with you—or anyone." "Being an adult means having some self-control," she told him. "I need someone to help me with that self-control."
