My Mother My Hero Lynn Smith.2021-11-11 A mother's love is always for her children no matter how good or bad and she would do anything for her children either one or ten children, I always said the hardest job in the world is raising children from sun up to sun down or a woman's job is never easy I think it's time for men to stand up for the hard working women or men who raise God's precious angels.

Angel on Assignment Angenetta Lois Olsen Cox.2004-09-01 ANGEL ON ASSIGNMENT, (Volume 2) is the continuing story of the biographical experiences of a small child as told by the angel on assignment. It is sure to bring enjoyment to readers and listeners as they follow the busy activities of the little child from her fourth birthday to the first grade. A Kansas farm in the late 1920's is the setting of the true, challenging events prompted by the child's curiosity and the determination to be rid of the identification of "baby." The angel is assisted, sometimes, by the older couple who are raising the youngster. Seniors can relive the "good old days" as they reminisce their own childhood. Lots of detailed illustrations help to make this a fun book to read to young children. Puzzling questions and strange childish conclusions add the touch of humor. Everyone will be pleased with reading about farm animals. Some things can even be learned about farming, gardening, preserving food and methods of household chores. ANGEL ON ASSIGNMENT is excellent, relaxing, light reading for folks of all ages.

British Playwrights, 1956-1995 William W. Demastes.1996-10-23 The year 1956 marked a point when British drama and theater fell into the hands of a group of young playwrights who revolutionized the stage. During that time, playwrights such as Samuel Beckett and Harold Pinter made the British theater as rich, varied, and vital as any national theater in history. This reference chronicles the history of British theater from 1956 to 1995 by providing detailed information about the playwrights of that period. Included are entries for some three dozen British playwrights active between 1956 and 1995. Entries are arranged alphabetically to facilitate use. Each entry supplies biographical information, the production history for particular plays, a survey of the playwright's critical reception, an assessment of the dramatist's work, and primary and secondary bibliographies. A selected, general bibliography at the end of the volume directs the reader to important sources of additional information about this period in theater history.

Her Beautiful Brain Ann Hedreen.2014-09-16 Her Beautiful Brain is Ann Hedreen's story of what it was like to become a mom just as her beautiful, brainy mother began to lose her mind to an unforgiving disease. Arlene was a copper miner's daughter who was divorced twice, widowed once, raised six kids singlehandedly, survived the turbulent '60s, and got her B.A. and M.A. at 40 so she could support her family as a Seattle schoolteacher—only to start showing signs of Alzheimer's disease in her late fifties, taking Ann and her siblings on a long descent they never could have anticipated or imagined. For two decades—as Ann married, had a daughter and a son, navigated career changes and marital crises and built a life making documentary films with her husband—she watched her once-invincible mom disappear. From Seattle to Haiti to the mine-gouged Finntown neighborhood in Butte, Montana where she was born and grew up; from Arlene's favorite tennis club to a locked geropsychiatric ward, Her Beautiful Brain tells the heartbreaking story of a daughter's love for a mother who is lost in the wilderness of an unpredictable and harrowing illness.

Cornstars: Rube Music in Swing Time Jack Norton.2020-07-30 New Orleans has jazz. Nashville has country. The Delta has the blues. Garnavillo, Iowa - population 745 - has corn...and we ain't talking veggies! That's right - thanks to the homegrown and farm-shucked comedic jazz of a few heartland boys, a new musical genre called Corn plowed its way up the charts and across the globe in the late 1930s. From the obscure tractor-dotted landscape of the Midwest to Hollywood, Manhattan, Europe, and all points in between, this is the comedic tale of stolen creative genius, betrayal, quirky passions, rags-to-riches luck - and perhaps even murder - which will knock your socks off. You may have never heard of Freddie Fisher's Schnickelfritz Band and Stan Fritts and the Korn Koblbers, but the cornball jazz and novelty swing of these two groups would go on to have a profound influence on the landscape of American pop culture. Artists as diverse as Frank Zappa, Harry Nilsson, The Beatles, Tiny Tim, Captain Beefheart, OutKast and Weird Al Yankovic all claim themselves as fans of Fisher and Fritts...now you can find out why. "Cornstars - Rube Music in Swing Time: The Rise and Fall of Freddie Fisher and his Schnickelfritz Band...Stan Fritts and his Korn Koblbers...and the Hillbilly, Cornball, Novelty Jazz Music of the 1930s, 1940s and 1950s" is a sweeping overview of American musical entertainment set in the later days of minstrelsy through the early days of television. Emmy Award winning author Jack Norton crafts a painstakingly detailed account told on vaudeville stages, over the airwaves of early radio stations, in the grooves of brittle old 78 rpm records and on the silver screens of Hollywood's golden era. A treasure trove of Americana. They were bands with names like: Schnickelfritz, The Korn Koblbers, Spike Jones and his City Slickers, The Hoosier Hot Shots, Ezra Buzzington's Rube Band, The Five Harmaniacs, Captain Stubby and the Buccaneers, The Kidoodlers, The Sweet Violet Boys, Pappy Trester and his Screwballs, The Cackle Sisters, Fiddle Bow Bill and his Dew Valley Acorns, The Crazy Tooters, Darrell Fischer and the Minnesota Log Jammers, The Zobo Band, The Nebraska Sandhill Billies and Mrs. O'Leary's Famous Musical Cow. Their sound was usually centered around the "whiz-bang", an intricate musical washboard, along with traditional Dixieland jazz band instrumentation augmented by highly visual, Rube Goldberg-like comedic creations such as: the tootaboot, the horse collar, the squeezearina, the horncycle, the oralhorn, the piperubhorn, the skoocherphone, the greasybell, the tuberina and the blow-chicken. Yes, the blow-chicken was the name of a real instrument used by these jazzmen in the 1930s and 1940s. And today these bands, instruments and the music they made are largely forgotten. Refreshingly, Norton's spotlight focuses on two musicians: Freddie Fisher, an eccentric jazz clarinetist and impresario from Garnavillio, Iowa and his bandmate Stan Fritts, a gifted trombonist that gave up a career of farming corn in rural Lyons, Nebraska - so he could make musical corn on stages coast to coast, first in territorial jazz bands and eventually with his own band at the Metropolitan Opera House. Without realizing it, the author uncovered a true story of the American dream. From their humble beginnings playing rural barn dances in Winona, Minnesota to recording over 200 sides for Decca Records and earning a film contract with Warner Brothers Studios, readers will recognize a real-life Horatio Alger tale if there ever was one. Iconic legends of entertainment appear throughout this work including: Rudy Vallee, Jack Dempsey, The Warner Brothers, Max Fleischer, Jack Benny, Laurel and Hardy, Bing Crosby, Guy Lombardo, Captain Kangaroo, Busby Berkeley, Lawrence Welk and many other past stars and celebrities. Amidst the comedic cornball chaos of Fisher and Fritts emerged two spectacular musical groups: The Schnickelfritz Band and the Korn Koblbers. Norton details their meteoric rise and unprecedented fall, thanks to knowledge gleamed from the musicians' personal scrapbooks, rare first-hand accounts from band members, friends and fans, and nearly two and half decades worth of personal research in dusty libraries and historic archives around the world. In the end, Norton's book is over 180,000 words and includes more than 950 rare, never-before-scene photos which illuminate this illustrated edition. Chapters: 1. Freddie Fisher's Idea of Jazz 2. Red Hot Mama Lauren Rebecca Sklaroff.2018-04-02 The "First Lady of Show Business" and the "Last of the Red Hot Mamas," Sophie Tucker was a star in vaudeville, radio, film, and television. A gutsy, song-belting stage performer, she entertained audiences for sixty years and inspired a host of younger women, including Judy Garland, Carol Channing, and Bette Midler. Tucker was a woman who defied traditional expectations and achieved success on her own terms, becoming the first female president of the American Federation of Actors and winning many other honors usually bestowed on men. Dedicated to social justice, she advocated for African Americans in the entertainment industry and cultivated friendships with leading black activists and performers. Tucker was also one of the most generous philanthropists in show business, raising over four million dollars for the religious and racial causes she held dear. Drawing from the hundreds of scrapbooks Tucker compiled, *Red Hot Mama* presents a compelling biography of this larger-than-life performer. Lauren Rebecca Sklaroff tells an engrossing story of how a daughter of Russian Jewish immigrants set her sights on becoming one of the most formidable women in show business and achieved her version of the American dream. More than most of her contemporaries, Tucker understood how to keep her act fresh, to change branding when audiences grew tired and, most importantly, how to connect with her fans, the press, and entertainment moguls. Both deservedly famous and unjustly forgotten today, Tucker stands out as an exemplar of the immigrant experience and a trailblazer for women in the entertainment industry.

A More Christlike Word Bradley Jersak. 2021-07-20 The Scriptures are an essential aspect of the Christian faith. But we have often equated them with the living Word Himself, even elevating them above the One to whom they point. In doing so, we have distorted their central message—and our view of God. Tragically, this has caused multitudes of people unnecessary doubt, confusion, and pain in their encounters with the Scriptures. Many people understand God as being truly loving and good. Yet, they struggle with depictions of God in Scripture as wrathful, violent, and genocidal. These “toxic texts” have caused some to set aside their Bibles as R-rated and unreliable. They have led others to completely reject their faith. Author and theologian Bradley Jersak has wrestled deeply with such passages over many years. He has experienced the same questions, doubt, and pain. In *A More Christlike Word*, he offers a clarifying and freeing path forward. Whether readers consider themselves believers, doubters, or skeptics, all are invited to a more beautiful and ancient way of reading the Scriptures. Bradley calls this path the “Emmaus Way” because it demonstrates how Jesus regarded all Scripture as fulfilled in himself, the final Word of God who reveals the true nature of the Father. After deconstructing the modern biblicist/literalist approaches to Scripture interpretation that have failed us, Brad turns to the early church for a hermeneutic of prefiguration, treating the Bible as the grand narrative of redemption, told through a polyphony of voices and worldviews, culminating in the arrival of Christ as the eternal Word of God—what God has to say about himself. The interpretive system of the church fathers and mothers who gathered the New Testament and preached the gospel from the Old Testament has largely been ignored or dismissed by both evangelical and liberal movements, the twin children of modernity. The patristics explain and model the apostles’ Christ-centered interpretation of the Scriptures. Brad applies their approach to “unwrath” sample passages from each genre of the Bible, showing how even the cringe-worthy texts have an important place in the Christotelic saga of divine love. Your journey on the Emmaus Way will open up to you the fullness of the Scriptures, and, most important, lead you to the God who deeply loves and welcomes you.

One Hot Mama Erin Cox. 2012-11-27 After giving birth, even the most confident, fit, and spiritually centered women can feel depressed, overwhelmed by the responsibilities of motherhood, and disheartened by their plump postpartum bodies. Erin Cox knows exactly how they feel. Using a realistic approach that has proven to be effective, mothers will be encouraged to make positive life changes that will encourage weight loss, positive thinking, and self-love. Women who read this book will not only feel empowered and invigorated to get their bodies back in shape, but the positive changes will impact every single aspect of life—allowing them to live a joyous and fulfilled life as a woman and mother, even emerging happier and healthier than before getting pregnant!
