Fighting for My Life Billy Moore.2021-06-03 'The next round in Billy's fight is pain-racked, frank and reflective . . . an inspiring piece from a man who's been to hell and back and has the scars to prove it' JOE COLE 'Brutally honest, dark and disturbing. A book that tells of the reality of drugs and a failing prison system' NEIL SAMWORTH, author of *Strangeways: A Prison Officer's Story* 'Billy Moore writes with such a tragic authenticity that it kept me willing for him to succeed, even as I knew he was never too far from self-destruction. It's his self-awareness that I admire - unflinching and brutal and also, it should be said, his wonderful way with words' Professor Emeritus DAVID WILSON, author of *My Life with Murderers* 'His life may have had many ups and downs, but Billy is a wonderful example of never giving up' JAMES ENGLISH 'A true story of forgiveness, not only learning to forgive others but also learning to forgive yourself. An incredibly emotional story about an incredible man who's had an incredible journey' LIAM HARRISON 'This time I am telling the story of my life both before prison in Thailand and what followed once I was back in the United Kingdom, my cancer diagnosis, more prison time and, finally, redemption. I am trying to understand aspects of my childhood that had a role in my eventual downward spiral into addiction, pain, misery and loss' BILLY MOORE Billy Moore spent three years in Klong Prem prison in Thailand, popularly known as the 'Bangkok Hilton', where he witnessed acts of extreme violence and sexual assault. Eventually he found purpose through taking part in Muay Thai boxing tournaments in jail. Here, he found 'a wall of human community' amongst the elite boxers and regained his sobriety. He was granted early release by the King of Thailand having excelled as a Muay Thai boxer in inter-prison tournaments. But back in the UK and a decade later - with his demons resurfacing - Billy's past caught up with him. He was caught and convicted of a burglary and was despatched to HMP Walton under then home secretary Theresa May's three-strikes rule. Billy has spent almost twenty-two years in various prisons, but since then, he has not only survived cancer, but also gone on to become a powerful advocate of boxing and anti-knife crime initiatives in the Liverpool area, training young boxers. A Prayer Before Dawn was made into a film directed by Jean-Stéphane Sauvaire and starring Joe Cole, of *Peaky Blinders*' fame. The film premiered at the Cannes Film Festival in 2017, but by the time it went on general release, Billy was back in prison in the UK. In this follow-up to Billy's first international bestseller, an autobiography set largely in Thailand's infamous prison system, Billy sets out to explore his experience of childhood abuse that would lead to a life of drug addiction and near-constant incarceration. After Billy's sentence in Klong Prem prison was commuted as a result of his extraordinary success as a Muay Thai boxer, he returned to the UK. In this vividly told story, Liverpudlian Billy contrasts his first-hand experience of one of the cruellest prison systems in the world with his experience of UK prisons. The result is, in part, a shocking exposé of the inadequacy of care and the lack of humanity in British prisons. But Billy's story is mainly one of rehabilitation, recovery and redemption. Rich in detail, honesty and humour, his book is a fast-paced, unputdownable read which shows how the human spirit can endure and eventually thrive.

Yes, There Is Hope for a Prisoner Jafari Jenkins.2021-04-26 YES, There is Hope for a Prisoner is about the journey of living aimlessly and without hope to becoming productive in society again

Broken William Cope Moyers,Katherine Ketcham.2007-08-28 Candid, shocking, and unforgettable, Broken is a haunting and clear-eyed tale that offers hope for all those wrestling with addiction Unlike some popular memoirs that have fictionalized and romanticized the degradations of drug addiction, Broken is a true-life tale of recovery that stuns and inspires with virtually every page. The

eldest son of journalist Bill Moyers, William Cope Moyers relates with unforgettable clarity the story of how a young man with every advantage found himself spiraling into a love affair with crack cocaine that led him to the brink of death-and how a deep spirituality allowed him to conquer his shame, transform his life, and dedicate himself to changing America's politics of addiction. William Cope Moyers's lucid, measured tale of his own plunge into crack-addled hell [is] frightening in its very realism. -USA Today

**From Prison to Paradise** Vanessa Roll.2021-08-03 One of the worst things a parent can hear their teen say is, Judge, I am a heroin addict. Prison to Paradise is a memoir that takes the reader on a mother's raw and emotional journey from living a seemingly normal life in the suburbs to visiting her son in a maximum-security prison. So many families feel that drug addiction and the problems that ensue are only the problems of other people. Addiction is not discriminatory to demographics or socioeconomic status. Prison to Paradise gives you an insight to how a bright young man, with an optimistic future, traded it all for a drug he would have given his right arm for. Her son traded freedom for prison after receiving a very lengthy sentence for crimes he committed to feed his addiction. Even though they had made plans for his future free of heroin and prison bars; after five years, her son committed suicide, alone, in a prison cell. The story is an ugly story of the realities of addiction, shame, and poor choices, threaded with faith, forgiveness and ultimately redemption. There is no guidebook for parents fighting for their children battling with addiction. The purpose of this book is to share hope in a seemingly hopeless situation, even if things do not turn out like you had planned.

**A Prisoner of Hope** Sabrina Christ Miller.2011-07 A Prisoner of Hope One Message! One Story! One Hope! Sabrina Miller is a woman that God has developed in the field of ministry the old-fashioned way, through the practical experience of overcoming in Christ. From a traumatic childhood of abandonment, through marriage, childrearing, financial upheavals, as well as a national youth ministry, all tempted with ongoing health problems, God has taught her how to be conformed to His image through fellowship of suffering. Sabrina has found a life flavored with joy unspeakable and a passion for living in Christ as few have. Sabrina is now serving as a secretary/counselor to the family of Immanuel Baptist Church where she has the daily opportunity to minister the same hope to others that she has received. If you are a victim of abuse, any type of abuse, you may feel like you are a prisoner. But as Sabrina Miller so beautifully portrays in A Prisoner of Hope you can be God's prisoner - a prisoner of hope! If you have been wounded or damaged on life's journey, don't be discouraged, the Lord knows how to heal your heart. In A Prisoner of Hope Sabrina outlines three simple steps to deal with the emotional pain in your heart as she shares nine stories of those who have suffered from abuse and found the door of healing. These stories will give you the courage to face the hurt and shame of your past and the hope you need to believe that you can be free from your past.

*Redeemable* Erwin James.2016 The unforgettable story of a damaged little boy who became a fatally damaging man, who embarked on a twenty-year journey behind bars that would take him out of the darkness and into the light.

*Cain's Redemption* Dennis Shere.2005-08-01 Formerly known as America's bloodiest prison, the 18,000 acres that comprise Louisiana's Angola State Penitentiary are now home to 5,000 inmates, a full range of seasonal crops, a 9-hole golf course, yearly rodeos, a Bible seminary, a museum, and much more. All of this came into being at the behest of Warden Burl Cain, who is now the longest-standing warden in the history of Angola prison. Under his leadership, the inmate population of 5,000 has gone from regular knife fights to Bible studies. Cain is a strong believer in the ability of the gospel to turn the most incorrigible of sinners into productive, moral citizens. Because eight out of ten prisoners are serving life sentences without parole at Angola, Cain has taken upon himself the task of making the lives of these prisoners productive and educational. Through a partnership with New Orleans Baptist Seminary, prisoners have the opportunity to get a bible degree and even be transferred to other prisons as a missionary. The Angola phenomenon has been covered by such media outlets as: Time Magazine, Christianity Today, and in the award-winning film documentary, *The Farm: Angola, USA*. Author Dennis Shere combines his background in journalism and law to bring readers this account of redemption and life change in the most unlikely of places: a maximum security prison.

**Letters to a Lifer** Cindy Sanford.2015-01-21 *Letters to a Lifer* provides a rare insight into life without parole (LWOP) for juveniles in the USA. A true story from Pennsylvania, it is a compelling tale of faith and redemption. Cindy Sanford tells how a chance correspondence with Ken, a prisoner artist, began to change her entrenched ideas about offenders. Her book now adds voice to the work of the USA's National Campaign for the Fair Sentencing of Youth and will also be of interest to students of restorative justice. In 1999, America's Most Wanted broadcast details of a notorious crime. Twelve years later Cindy was introduced to Ken, one of the two boys convicted, through his remarkable wildlife art. By then a young man, Ken had spent half his life in prison. Initially wary, Cindy was surprised to find him humble, polite and deeply grateful for her interest. Gradually she and her family were able to look beyond his crime to the person he had become. Despite a hardening of attitudes generally towards offenders in the USA and other parts of the western world, *Letters to a Lifer* shows why the campaign against LWOP sentences for juveniles is nonetheless gaining momentum.

*Prisoner of Hope* Ed Cook.2011-11 Some forks in the road simply provide a side trip or detour. Others alter the shape and meaning of a person's life. As Ed Cook writes, My new life began the day I didn't kill myself. Choosing life on April 28, 1976 resulted in Ed's life moving in an entirely new direction. That day began a fifteen-month journey from addiction to recovery and from atheism to faith. What could have been an overly sober story is kept enjoyably readable with infusions of wit and wisdom. Hearing another's story often prompts us to think about our own stories and learn from them. You may find that by reading *Prisoner of Hope*, you may learn more about yourself than about Ed Cook.

**Why The Fallen?** Jane Jones & Zac Jones,Zac Jones & Jane Jones.2022-04-29 'Consequences were inconsequential' - Zac This brutally honest true story of an everyday Aussie kid and his mother is a wakeup call. Co-authored by mother and son, this cautionary tale shares how and why an educated, intelligent teenager from a loving family with the world at his feet, ended up falling so badly he found himself in prison. This honest, raw account of a young man's life spiralling so terribly out of control, the reality of the consequences, and the retrospect now in play, sheds a glaring light on how lives can be forever changed, or worse still lost, through binge-drinking, drug abuse and driving under the influence. Despite the sometimes fractured relationship and the reality of the circumstances they found themselves in, this mother and son deliver a harrowing side by side account of how their lives went from the top of the world to rock-bottom. *Why The Fallen?* gives us belief that even when it appears all is lost, 'Hope Springs Eternal', relationships can be mended and lives can be changed for the better. Every parent should put this book in the hands of their teenager,

before they get their licence, experiment with drugs or succumb to the culture of binge-drinking. Every young person should put this in the hands of their parents, to share the emotional rollercoaster and often misguided beliefs facing young people of today. 'I just couldn't fight with him anymore. I had done all I could do.' - Jane 'This book is testament to the power of redemption & forgiveness. It encapsulates the unwavering love of a mother who's only son's life choices resulted in a lengthy prison term; a sentence he used to turn his life around which made him realise life was worth living. It's the most powerful personal story I've ever read.' Narelle Fraser, former Police Detective & Podcaster

**My Prison Became a Palace** John Alarid.2017-11 This is the story of one man's journey from heroin addiction, crime, and prison to productive member of society, family man and community activist. After a spiritual awakening in a solitary confinement prison cell in Santa Fe, New Mexico, John completed advanced degrees in higher education with the support of a loving community. John came out of darkness into light. His story is an encouragement for anyone struggling with addiction or those who know someone that is addicted. A beautiful story of redemption and hope.

**The Second Chance Club** Jason Hardy.2021-02-16 A former parole officer shines a bright light on a huge yet hidden part of our justice system through the intertwining stories of seven parolees striving to survive the chaos that awaits them after prison in this illuminating and dramatic book. Prompted by a dead-end retail job and a vague desire to increase the amount of justice in his hometown, Jason Hardy became a parole officer in New Orleans at the worst possible moment. Louisiana's incarceration rates were the highest in the US and his department's caseload had just been increased to 220 "offenders" per parole officer, whereas the national average is around 100. Almost immediately, he discovered that the biggest problem with our prison system is what we do—and don't do—when people get out of prison. Deprived of social support and jobs, these former convicts are often worse off than when they first entered prison and Hardy dramatizes their dilemmas with empathy and grace. He's given unique access to their lives and a growing recognition of their struggles and takes on his job with the hope that he can change people's fates—but he quickly learns otherwise. The best Hardy and his colleagues can do is watch out for impending disaster and help clean up the mess left behind. But he finds that some of his charges can muster the miraculous power to save themselves. By following these heroes, he both stokes our hope and fuels our outrage by showing us how most offenders, even those with the best intentions, end up back in prison—or dead—because the system systematically fails them. Our focus should be, he argues, to give offenders the tools they need to re-enter society which is not only humane but also vastly cheaper for taxpayers. As immersive and dramatic as *Evicted* and as revelatory as *The New Jim Crow*, *The Second Chance Club* shows us how to solve the cruelest problems prisons create for offenders and society at large.

**The Prisoner's Hope Personal Bible** Newton R. Francis.2022-08-01 *The Prisoner's Hope Personal Bible*, *Genuine Hope* is a unique bible that lay hidden within the Bible. **The Deferment of Hope** Marc D. Simon.2015-03-19 "I approached *The Deferment of Hope* with high expectations and did not come away disappointed. Minister Marc Simon writes from a deep and compassionate space within himself. His intimate journals strategically placed throughout the book tell the story of a life lived on the run, and in confinement, both in and out of the penitentiary. Once you begin reading you will immediately recognize that Marc was not "serving time," but time was serving Marc." Bishop Kalem Kengga Zoe Ministries of the Antelope Valley "There is nothing in our own time which the enemy fears more than a thinking church. For a fired up and emotionalized church, which nonetheless refuses to think, is no real threat to the stronghold of ignorance which persists in our communities, despite much fervency in our worship." Marc D. Simon *The Deferment of Hope* Join the author in a penetrating look into the mind and thoughts of a prisoner in exile. Experience the deferment of hope, and the lessons learned along the way. Simon, through his provocative narrative and teaching, challenges us to rethink our ideas about hope, all the while weaving the reader through the inspiring story of his own 12 year incarceration in prison, loss, and his journey of faith and redemption. *The Deferment of Hope* resists traditional religious boxes and modes of speech, and ushers the reader into the author's own interior world of experience.

**Free Cyntoia** Cyntoia Brown-Long.2019-10-15 NAACP Image Award nominee for Outstanding Biography/Autobiography In her own words, Cyntoia Brown shares the riveting and redemptive story of how she changed her life for the better while in prison, finding hope through faith after a traumatic adolescence of drug addiction, rape, and sex trafficking led to a murder conviction. Cyntoia Brown was sentenced to life in prison for a murder she committed at the age of sixteen. Her case became national news when celebrities and activists made the hashtag #FreeCyntoia go viral in 2017. She was granted full clemency after having served fifteen years, walking out a free woman on August 7, 2019. This is her story, in her own words. In these pages, written over the fifteen years she was incarcerated, Cyntoia shares the difficult early life that led to that fateful night and how she found the strength to not only survive, but thrive, in prison. A coming-of-age memoir set against the shocking backdrop of a life behind bars, *Free Cyntoia* takes you on a spiritual journey as Cyntoia struggles to overcome a legacy of family addiction and a lifetime of feeling ostracized and abandoned by society. Born to a teenage alcoholic mother who was also a victim of sex trafficking, Brown reflects on the isolation, low self-esteem, and sense of alienation that drove her straight into the hands of a predator. Though she attempts to build a positive path and honor the values her

beloved adoptive mother taught her, Cyntoia succumbs to harmful influences that drive her to a cycle of promise and despair. After a fateful meeting with a prison educator turned mentor, Cyntoia makes the pivotal decision to take classes at Lipscomb University and strive for a better future, even if she's never freed. For the first time ever, Cyntoia shares the details of her transformation, including a profound encounter with God, an unlikely romance, and an unprecedented outpouring of support from social media advocates and A-list celebrities, which ultimately lead to clemency and her release from prison. Giving a rare look at the power of love, forgiveness, and self-discovery in the darkest of places, *Free Cyntoia* is a deeply personal portrait of one woman's journey for redemption within a system that had failed her from childhood.

*College Inside Prison* Aland David Mizell. 2022 A Proven Criminal Justice Model Direct and powerful prisoner testimonies by successful graduates of College Education Behind Bars (CEBB) breathe undeniable life into this remarkable story about the power of hope and the possibility of redemption. Confronted with an overcrowded jail overflowing with hopeless brothers and sisters, Dr. Aland Mizell conceived of CEBB as a light to shine into darkness. Making that light a reality required to seek out and create effective partnerships with government officials, criminal justice agencies, and forward-thinking university administrators. CEBB's academic courses and mandatory recovery program offer prisoners a realistic hope for transforming themselves into productive members of their families and communities, heightening success at reentry and lowering the chance of recidivism. The author calls for replication of this academic and rehabilitative initiative across the Philippines and the passage of a Second Chance Act. College Education Behind Bars is a symbol of hope in the era of mass incarceration. Through this innovative higher education program, Dr. Aland Mizell offers purpose to PDL, preparing them for release and demonstrating that education that should be available even to those behind bars - it's a gateway for second chances especially for those desiring a better future. Dr. J. Prospero Popoy de Vera III, Chairman, Commission on Higher Education, Office of the President, Republic of the Philippines The College Behind Bars program that Aland Mizell built in the Davao City Jail is essentially a miracle: a thoroughly developed and incredibly organized education program in one of the most challenging settings I have ever laid eyes on. It is testament to what is possible when we truly believe in the power of education to change the world. Dr. Baz Dreisinger, professor at John Jay College of Criminal Justice, founder of Prison-to-College Pipeline, executive director of the Incarceration Nations Network, and author of *Incarceration Nations: A Journey to Justice in Prisons Around the World* Aland David Mizell, founder and COE of College Education Behind Bars as well as Minority Care International, earned his master's degrees in political science and public administration and a doctorate in political science with an emphasis on minority politics. He reads and speaks several languages adding to the breadth of his research on alternatives to violence, incarceration, and hopelessness. He is an American social entrepreneur and scholar, living in the Philippines.

**Vision of Hope** Leilani Faber. 2016-08-04 *Vision of Hope* is an important contribution in the growing number of stories by recovering addicts, for its well-written account in terms that are touching yet honest, in both the low points and high points of her story. Perhaps most significantly, Leilani Faber's life story brings us to a conclusion that includes a current life and an optimistic future that should make her, her children and her mother proud. It literally offers hope for anyone who has found their life severely impacted by meth or other drugs and demonstrates that despite the damage done by meth use, with hard work, redemption is possible and a new life awaits anyone willing to make that commitment. Laura L. Valenti, co-author *Ozark Meth: A Journey of Destruction and Deliverance* *Writing My Wrongs* Shaka Senghor. 2017-01-31 NEW YORK TIMES BESTSELLER • An "extraordinary, unforgettable" (Michelle Alexander, author of *The New Jim Crow*) memoir of redemption and second chances amidst America's mass incarceration epidemic, from a member of Oprah's SuperSoul 100 Shaka Senghor was raised in a middle-class neighborhood on Detroit's east side during the height of the 1980s crack epidemic. An honor roll student and a natural leader, he dreamed of becoming a doctor—but at age eleven, his parents' marriage began to unravel, and beatings from his mother worsened, which sent him on a downward spiral. He ran away from home,

turned to drug dealing to survive, and ended up in prison for murder at the age of nineteen, full of anger and despair. Writing *My Wrongs* is the story of what came next. During his nineteen-year incarceration, seven of which were spent in solitary confinement, Senghor discovered literature, meditation, self-examination, and the kindness of others—tools he used to confront the demons of his past, forgive the people who hurt him, and begin atoning for the wrongs he had committed. Upon his release at age thirty-eight, Senghor became an activist and mentor to young men and women facing circumstances like his. His work in the community and the courage to share his story led him to fellowships at the MIT Media Lab and the Kellogg Foundation and invitations to speak at events like TED and the Aspen Ideas Festival. In equal turns, *Writing My Wrongs* is a page-turning portrait of life in the shadow of poverty, violence, and fear; an unforgettable story of redemption; and a compelling witness to our country's need for rethinking its approach to crime, prison, and the men and women sent there.

**My Time Will Come** Ian Manuel.2022-04-19 The inspiring story of activist and poet Ian Manuel, who at the age of fourteen was sentenced to life in prison. He survived eighteen years in solitary confinement—through his own determination and dedication to art—until he was freed as part of an incredible crusade by the Equal Justice Initiative. “Ian is magic. His story is difficult and heartbreaking, but he takes us places we need to go to understand why we must do better. He survives by relying on a poetic spirit, an unrelenting desire to succeed, to recover, and to love. Ian’s story says something hopeful about our future.” —Bryan Stevenson, author of *Just Mercy* The United States is the only country in the world that sentences thirteen- and fourteen-year-old offenders, mostly youth of color, to life in prison without parole. In 1991, Ian Manuel, then fourteen, was sentenced to life without parole for a non-homicide crime. In a botched mugging attempt with some older boys, he shot a young white mother of two in the face. But as Bryan Stevenson, attorney and executive director of the Equal Justice Initiative, has insisted, none of us should be judged by only the worst thing we have ever done. Capturing the fullness of his humanity, here is Manuel’s powerful testimony of growing up homeless in a neighborhood riddled with poverty, gang violence, and drug abuse—and of his efforts to rise above his circumstances, only to find himself, partly through his own actions, imprisoned for two-thirds of his life, eighteen years of which were spent in solitary confinement. Here is the story of how he endured the savagery of the United States prison system, and how his victim, an extraordinary woman, forgave him and bravely advocated for his freedom, which was achieved by an Equal Justice Initiative push to address the barbarism of our judicial system and bring about “just mercy.” Full of unexpected twists and turns as it describes a struggle for redemption, *My Time Will Come* is a paean to the capacity of the human will to transcend adversity through determination and art—in Ian Manuel’s case, through his dedication to writing poetry.

*Five to Fifteen* Denise Sassoon.2015-03-10 In September 1975, Denise Sassoon entered the front gates of the Arizona State Prison for Women inside the back of a caged state transport van. She was sentenced to no less than five, no more than fifteen years of incarceration. At 21 years old, how had she—a 1960s hippie child who embraced peace, love, and freedom—wound up in this strange, confined, and violent place? What would she become within the walls of prison and what would become of her once she was granted her freedom again? Fascinating in its detailed and personal perspective, *Five to Fifteen: A Woman, A Prison, A Redemption* is Denise's story. She not only shares how she survived being in prison from 1975 to 1980, but is also candid about how, once released, she dove into the rampant drug culture of the 1980s and journeyed through 22 challenging years of battling her demons. A woman hopeful to overcome her life of molestation, rape, beatings, addiction, and prison, Denise was indeed able to redeem her life by conquering her past and allowing love to heal her. Since 1988, Denise has helped countless other people do the same, as she has worked tirelessly in many aspects of the field of recovery. Now she is hopeful that sharing the story of her journey will aid others in having the courage to do as she did. Denise is also hopeful that she can help others choose to experience the joy and personal peace that exist in moving toward the light of self-love.

**Redemption Story** Paul P. Pommells.2013-11-30 Joseph Johnson grew up in church, got good grades in school, and seemed on track to become a college graduate and a successful professional. But he wasn't willing to give up his secret "thug life" and the street cred that seemed to authenticate him as a young Black man... When a confrontation spins out of control, Joseph finds himself in prison for attempted murder. His family is shattered by grief, his future is drained of hope. Is redemption really possible?\*\*\*\*\*Redemption Story is a work of fiction. If my characters and situations resemble persons and events in real life, it is purely coincidental. But it is no surprise either. It is not my story alone. It is a composite of the lives of many incarcerated men: their pasts, their presents, and possibly their futures.Young men and women growing up in tough urban neighborhoods will identify with, or at least recognize, many of my inmate characters. Most urban families have at least one relative or family friend who is incarcerated, often for very good reason. But sometimes that incarceration is an overreaction, a punishment that does not fit the crime... and sometimes that incarceration is a complete mistake. A mistake as simple as the ethnocentrism that leads a victim to confidently identify someone as the perpetrator even though that someone and the real perpetrator only share the most general racial phenotype. When the real perp and the person convicted are placed side by side, it is difficult to imagine how such a mistake could have happened. These are only two of many ways prisons fill with minorities who either ought to be somewhere else, or who ought not be there at all.But those mistakes are in the past. The plight of prisoners in the State of California faces us in the present. Redemption Story shows how you can find and help those inmates who are ready to grow.Redemption Story looks to their futures as well. Sadly, the time horizon of many inmates, and many who try to help them, is pitifully limited. Futures are seen clearly only as far as the next specific milestone: earning a GED, learning a trade, preparing for a parole hearing. After that, the vision for their futures either becomes rosy and fuzzy and difficult to believe (especially for the inmate), or it simply... ceases. Vanishes. As if we cannot imagine a tangible and productive future for an inmate, whether they are released or remain inmates indefinitely. Redemption Story develops a vividly detailed vision for the future of just one character, but it does so in a way that will stretch and clarify the vision - and fuel the hope - of all who read it, inmates and their friends, families, and advocates alike.- Paul PommellsPaul Pommells' book is engaging and riveting. This is a masterfully-written account of life in prison and the road to rehabilitation. - Marvin Avila, Ed.D.Author Paul Pommells portrays vividly and realistically the common ethnic person caught up in a drop-out society. Despite the darkness of the prison system, Inmate Joseph realizes he has choices. This book of transformation is a must-read for we who choose to make a difference for a better world. - Sister Mary Sean Hodges, O.P.Redemption Story reveals the evolution I have personally witnessed in the lives of thousands of prisoners. From the prison mentality" to the Prison Release Gate and beyond, the main character, Joseph, consistently makes the daily choices that ultimately break dysfunctional cycles. As the book states, this transformation leads to the design of noble traditions that endure. Redemption Story puts into words the vision I have for effective corrections: Academy-like education and peer-facilitated study with the essential component of permitting those living lives of service to do so in their home towns and communities. Together we can pave the way for the emerging reality and Paul Pommells provides the story to take us there. - Mara Leigh Taylor, Founder & Director of GOGI

**The Five People You'll Meet in Prison** Brandon Stickney.2020-09-22 Part Oz, Shawshank Redemption, and Orange Is the New Black, this true, warts-and-all, David vs. Goliath tale is about a journalist/addict/alcoholic whose five prison-mates ready him for the outside world, while taking on the prison industrial complex of 2018.

Hope Champions M. H. Leigh.2020-04-02 All beings live to die. Some live life in human knowledge and others live life before and after death in God wisdom. Some hope in created entity and others hope in God-the Creator. The choices are in us. Every life has a story and a testimony. Every being lives within a perishable season of time and an inevitable reason of confinement hoping to be freed from hope prisoners to Hope Champions under God. The unique contribution of this book is to reveal the mystery of general imprisonment on earth and is to unveil the miracles of special salvation in

heaven from God to fellow men. This book meant to earn your partnership by sharing God's truth. God is omnipresence, omnipotence, and omniscience. Any unknown idolism and unseen ritual adulterated by prisoners of hope is known to God and seen by God. Every hopeful message in this book is written not as view of an author but as event of a witness testified with God's words and deeds. Ultimate salvation to mankind only from God regenerated life before death and resurrected life after death under the Great Commandment of loving God and others; and the Great Commission of spreading the gospel to all nations.. 'For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life.' John 3:16 NIV

**Healing Neen** Tonier Cain.2014-09-02 Choose for yourselves this day whom you will serve... - Joshua 24:15 (NIV) It is almost unfathomable to believe that just nine years ago Neen was in prison—a place as familiar to her as the streets she lived on. In just 15 years, she had been arrested 83 times with 66 convictions. Neen had—and lost—four children, she was a crack addict, a prostitute, and desperately lost. But as long as she had breath, she would still have hope. One day, after 32 years hustling on the streets of Annapolis, Neen's crumb of hope turned into a seed of trust. Then I will make up to you for the years that the swarming locust has eaten... - Joel 2:25 (NASV) Healing Neen isn't just another story about victims and survivors or recovery and redemption; ultimately, it is a story of Good News and a testament to God's grace and presence. It is the story of a woman's path to salvation and a propitious glimpse into the potential buried deep within some of society's most vulnerable people. See that you do not despise one of these little ones. For I tell you that in heaven, their angels always see the face of my Father, who is in heaven. - Matthew 18:10 (ESV) But this story isn't just about Neen; it's about the value of human life, the depth of suffering, and the heights of grace. It is a convincing *cri de Coeur* for better practices in the way we treat and counsel those caught in the cycles of trauma, addiction, and serial incarceration. Neen brings us face-to-face with the ubiquitous corruption, neglect, and abuse in some of the systems meant to safeguard at-risk women and children, yet she leaves us with hope that things can change for the better. Today, Tonier Cain's calling is to help save thousands of other Neens across the nation. She is a leading advocate for trauma-informed care in prisons and mental health facilities. She is a champion for examining and improving the way we help one another toward redemption, and she is the voice of compassion and promise for so many still living on the fringe who need to hear, where there's breath, there's hope.

**Five to Fifteen** Denise Sassoon.2015-03-15 In September 1975, Denise Sassoon entered the front gates of the Arizona State Prison for Women inside the back of a caged state transport van. She was sentenced to no less than five, no more than fifteen years of incarceration. At 21 years old, how had she—a 1960s hippie child who embraced peace, love, and freedom—wound up in this strange, confined, and violent place? What would she become within the walls of prison and what would become of her once she was granted her freedom again? Fascinating in its detailed and personal perspective, *Five to Fifteen: A Woman, A Prison, A Redemption* is Denise's story. She not only shares how she survived being in prison from 1975 to 1980, but is also candid about how, once released, she dove into the rampant drug culture of the 1980s and journeyed through 22 challenging years of battling her demons. A woman hopeful to overcome her life of molestation, rape, beatings, addiction, and prison,

Denise was indeed able to redeem her life by conquering her past and allowing love to heal her. Since 1988, Denise has helped countless other people do the same, as she has worked tirelessly in many aspects of the field of recovery. Now she is hopeful that sharing the story of her journey will aid others in having the courage to do as she did. Denise is also hopeful that she can help others choose to experience the joy and personal peace that exist in moving toward the light of self-love.

**From Dope to Hope** Tim Ryan (Businessman).2017-03-15 This is the addict's journey: how it happens, how it progresses, and how it ends. Fortunately, this is also the journey of recovery: how it happens, and how it blossoms. There is always hope. --Dr. Drew Pinsky, M.D. Heroin addiction didn't make Tim a better person. It stole more than half of his life. But he's dedicated every waking minute since walking out of prison to dealing hope to addicts and their families. By his own account, Tim Ryan shouldn't be here. But as he states, Where there is life, there is hope. Known as The Hope Dealer, Tim is a successful entrepreneur, grateful recovering heroin addict and alcoholic, nationally ranked barefoot water skier--and truth-talking, convicted felon.\*As a business leader in a high-tech industry, Tim made and lost millions. \*As a father and husband, Tim introduced his own son to deadly drugs. \*As a heroin addict, Tim is a walking miracle. He's overdosed eight times, was pronounced clinically dead three, and suffered two minor heart attacks. He's been arrested more than ten times and served prison time alongside known gang leaders--many of whom became his closest confidants in recovery.\*As the founder of A Man in Recovery Foundation and motivational speaker, Tim's mission is to help one addict at a time transform their lives from dope to hope. Tim has been a featured thought leader in numerous national media, including USA Today, Newsweek, and The Steve Harvey Show with Dr. Drew, and dozens of nationally syndicated radio shows. He was an invited guest by the U.S. President to the 2016 State of the Union Address. This story chronicles Tim's grueling journey into addiction, loss, and recovery. Sit with Tim in his prison cell. Walk with him as loved ones are torn from his reach. Rejoice with him as lives are miraculously recovered.

**From Cocaine to Christ: A Story of Redemption, Reconciliation and Recovery** Brian O.

Mohika.2019-06-22 The dramatic and inspiring true story of a former drug addict called to win the lost and challenge others to do the same... Ever heard of someone hitting rock bottom before they finally have a come-to-Jesus moment? Well, Brian will be the first to admit he couldn't tell you which rock bottom finally did the trick! In this riveting account of his personal testimony, he tells the story of how he went from a life in ruins from the consequences of his addictions to sober, clean, and studying for the ministry, as well as inventor of several medical devices already beginning to change countless lives. The Lord Jesus is a God of restoration. He has the ability to create something from nothing, which is where Brian's life story goes to and comes back from: the very bottom. This book is for if you are or have been bound to drugs and alcohol and can't imagine a way out, or you know someone who has and would be encouraged by this powerful and encouraging story of redemption and radical transformation. I wrote an intentionally short book because I wanted to make it a quick and easy read for as many people as possible. I know many have not gone as far into drugs and alcohol as I have while I also know many have and are currently stuck in their bondage. It's my prayer this book can be placed in their hands as an encouragement and a lifeline. If God can do it for me, He can do it for you as well! - Brian Mohika

*A Quest for Redemption* Keir Weimer.2013-04-05 Author's Note: All author royalties generated by sales of this book are being donated to select charitable organizations. To find out where the proceeds will land, and more information on the book and author, please visit [www.aquestforredemption.com](http://www.aquestforredemption.com). Book Description: After running into trouble in college, to finding

himself in a cold prison cell, Keir fell to life's lowest bottom. He faced a choice in that empty prison cell: he chose to never give up. From that lonely moment on, Keir embraced his harrowing imprisonment and seized this unique opportunity to recover, heal and grow. He began reading, teaching, public speaking, and with his typewriter, he began to write. Keir wrote as a way to work through his emotions, as a way to capture the experience and culture of prison, and in an attempt to fuel the glimmer of hope and inspiration that hides itself well in a world devoid of any light. This is a gripping collection of true stories from prison. These stories explore the human condition in its rawest state, document the grueling journey of one man's recovery as he embarks on an uncharted road toward redemption, and strive to create reflection and inspiration in those who read them.

**The Big Hustle** Jim Wahlberg.2020-06-25 When Jim Wahlberg went to prison the second time at 22 years old, he was sentenced to six to nine years for breaking and entering, bargained down from life for home invasion. He had staggered into a Boston cop's apartment, helping himself to the sellable stuff and all the beer in the fridge. The cop came home, found Jim passed out at the kitchen table, beat the hell out of him, and arrested him. But Wahlberg, a 130-pound kid from Dorchester, had learned some things from his life on the street and his first prison sentence. He knew how to survive. And he knew that if he wanted to avoid serving the full sentence, he would have to do something. He did what he was best at: He hustled. He would create the illusion that he was trying to change, that he'd become the model prisoner, not a guy hell-bent on getting out while he was still young enough to drink more, steal more, and do more drugs. He didn't know, though, that the Catholic priest he was trying to hustle was actually hustling him. The Big Hustle is the story of a redeemed life and a family's healing. This is the no-holds-barred, unvarnished, and sometimes brutal true story of Jim Wahlberg, the fifth of nine kids growing up in a working-class Irish Catholic neighborhood outside of Boston, hustling for attention any way he could get it, which led him to the biggest hustle of his life. Against all odds he got clean, he got out, and he got the girl. Jim dedicated his new life as a former addict to working with addicts, and for years has spread the word that recovery is possible. But nothing could have prepared him for what came next. His discovery that his own son was an addict threw Jim into a crisis—one that led him deeper into his faith and led to healing he never thought possible. This book is a testament to God's power and an invitation to all of us to hope in the darkest places. About the Author Jim is the fifth oldest Wahlberg. Like his brothers Donny and Mark, Jim recovered from his tough upbringing in the streets of Dorchester to become producer, writer, and director of films, including *The Circle of Addiction*, *What About the Kids?*, and *The Lookalike*. Jim is the executive director of the Mark Wahlberg Youth Foundation, created to improve the quality of life for inner city youth through a working partnership with other youth organizations. Jim and his wife live in South Florida and have three children.
