

Ariel Sharon An Intimate Portrait

To the Promised Land Uri Dan.1988 Originally published in French by Uri Dan and Yossi Harel.

Self Portrait in Green Marie NDiaye.2021-02-25 'NDiaye is a hypnotic storyteller with an unflinching understanding of the rock-bottom reality of most people's life.' New York Times ' One of France's most exciting prose stylists.' The Guardian. Obsessed by her encounters with the mysterious green women, and haunted by the Garonne River, a nameless narrator seeks them out in La Roele, Paris, Marseille, and Ouagadougou. Each encounter reveals different aspects of the women; real or imagined, dead or alive, seductive or suicidal, driving the narrator deeper into her obsession, in this unsettling exploration of identity, memory and paranoia. Self Portrait in Green is the multi-prize winning, Marie NDiaye's brilliant subversion of the memoir. Written in diary entries, with lyrical prose and dreamlike imagery, we start with and return to the river, which mirrors the narrative by posing more questions than it answers.

The Unsung Hero Suzanne Brockmann.2003-06-03 Suzanne Brockmann's wildly popular Troubleshooters series showcases this master storyteller's rare gift for blending intense adventure with sensuous romance. And it all begins with *The Unsung Hero*, a heart-pounding tale of love that reveals hidden truths and brings two solitary people together against all odds. BONUS: This edition contains an excerpt from Suzanne Brockmann's *Born to Darkness*. After a near-fatal head injury, Navy SEAL lieutenant Tom Paoletti catches a glimpse of an international terrorist in his New England hometown. When he calls for help, the Navy dismisses the sighting as injury-induced imaginings. In a last-ditch effort to prevent disaster, Tom creates his own makeshift counterterrorism team, assembling his most loyal officers, two elderly war veterans, a couple of misfit teenagers, and Dr. Kelly Ashton. As the town's infamous bad boy, Tom was always in love with Kelly, a sweet "girl next door" who has grown into a remarkable woman. Now he has one final chance for happiness, one last chance to win her heart, and one desperate chance to save the day. "Thanks to Suzanne Brockmann's glorious pen, we all get to revel in heartstopping adventure and blistering romance."—RT Book Reviews

The Gospel According to Ali G Sacha Baron Cohen,Ali G.2002-11-18 In this hilarious and controversial collection written in the voice of Cohen's most famous character, Ali G, the comedian mocks the rap culture, religion, and homophobia.

Timeless Lucinda Franks.2014-08-19 Words by the millions have been printed about you, but none have revealed your real life, your secret life-- which is that you belong to me. In this beautifully rendered literary memoir, Lucinda Franks, a Pulitzer Prize-winning journalist, tells the intimate story of her marriage to Manhattan District Attorney Robert Morgenthau, one of the great men of our time. After Lucinda interviewed Bob for The New York Times in 1973, the two took a while to understand that they had fallen in love. Franks was a self-styled radical who marched with protesters and chained herself to fences. Morgenthau was a famous lawyer, a symbol of the establishment, who could have helped put her in jail. She was twenty-six. He was fifty-three. Now, thirty-six years into a marriage that was never supposed to happen, one between two people as deeply in love as they are different, they are living proof that opposites can forge an unbreakable life bond. In *Timeless*, Franks offers a confidential tour of their unconventional years together, years that are both hilarious and interlaced with suspense. At the same time, she takes us behind the scenes to reveal the untold stories behind some of Morgenthau's most famous cases, many of which she helped him brainstorm for. A compelling memoir with piercing insights into how a relationship grows and develops over a lifetime, *Timeless* grants us an enlightening window into one of New York's most famous yet defiant and iconoclastic couples, and the trials and successes of their union.

I Am Ariel Sharon Yara El-Ghadban.2020-11-17 A bold and innovative novel, *I Am Ariel Sharon* dives into the tortured mind of the controversial Israeli prime minister as he lies comatose and faces an ultimate reckoning. Award-winning Palestinian Canadian novelist Yara El-Ghadban imagines the confrontation at death's door between Ariel Sharon, the "King of Israel," and the women closest to him — his mother, his wives, and the mysterious nurse Rita. Like latter-day Greek furies, they lament the brutality of his life and maltreatment of the Palestinian people and demand he face up to his part in the bloodshed of Israel's wars. Here is an extraordinary, magical, and impassioned story of nearly impossible empathy, the singular work of a novelist in full flight.

Arik David Landau.2014-01-10 From the former editor in chief of Haaretz, the first in-depth comprehensive biography of Ariel Sharon, the most important Israeli political and military leader of the last forty years. The life of Ariel Sharon spans much of modern Israel's history: A commander in the Israeli Army from its inception in 1948, Sharon participated in the 1948 War of Independence, and played decisive roles in the 1956 Suez War and the six day War of 1967, and most dramatically is largely credited with the shift in the outcome of the Yom Kippur War of 1973. After returning from the army in 1982, Sharon became a political leader and served in numerous governments, most prominently as the defense minister during the 1983 Lebanon War in which he bore personal responsibility according to the Kahan Commission for massacres of Palestinian civilians by Lebanese militia, and he championed the construction of Israeli settlements in the West Bank and Gaza. But as prime minister he performed a dramatic reversal: orchestrating Israel's unilateral disengagement from the Gaza Strip. Landau brilliantly chronicles and analyzes his surprising about-face. Sharon suffered a stroke in January 2006 and remains in a persistent vegetative state. Considered by many to be Israel's greatest military leader and political statesman, this biography recounts his life and shows how this leadership transformed Israel, and how Sharon's views were shaped by the changing nature of Israeli society.

Innocent Abroad Martin Indyk.2009-01-06 Making peace in the long-troubled Middle East is likely to be one of the top priorities of the next American president. He will need to take account of the important lessons from past attempts, which are described and analyzed here in a gripping book by a renowned expert who served twice as U.S. ambassador to Israel and as Middle East adviser to President Clinton. Martin Indyk draws on his many years of intense involvement in the region to provide the inside story of the last time the United States employed sustained diplomacy to end the Arab-Israeli conflict and change the behavior of rogue regimes in Iraq and Iran. *Innocent Abroad* is an insightful history and a poignant memoir. Indyk provides a fascinating examination of the ironic consequences when American naïveté meets Middle Eastern cynicism in the region's political bazaars. He dissects the very different strategies of Bill Clinton and George W. Bush to explain why they both faced such difficulties remaking the Middle East in their images of a more peaceful or democratic place. He provides new details of the breakdown of the Arab-Israeli peace talks at Camp David, of the CIA's failure to overthrow Saddam Hussein, and of Clinton's attempts to negotiate with Iran's president. Indyk takes us inside the Oval Office, the Situation Room, the palaces of Arab potentates, and the offices of Israeli prime ministers. He draws intimate portraits of the American, Israeli, and Arab leaders he worked with, including Israel's Yitzhak Rabin, Ehud Barak, and Ariel Sharon; the PLO's Yasser Arafat; Egypt's Hosni Mubarak; and Syria's Hafez al-Asad. He describes in vivid detail high-level meetings, demonstrating how difficult it is for American presidents to understand the motives and intentions of Middle Eastern leaders and how easy it is for them to miss those rare moments when these leaders are willing to act in ways that can produce breakthroughs to peace. *Innocent Abroad* is an extraordinarily candid and enthralling account, crucially important in grasping the obstacles that have confounded the efforts of recent presidents. As a new administration takes power, this experienced diplomat distills the lessons of past failures to chart a new way forward that will be required reading.

Killing a King: The Assassination of Yitzhak Rabin and the Remaking of Israel Dan Ephron.2015-10-19 Winner of the Los Angeles Times Book Prize in History and one of the New York Times's 100 Notable Books of the Year. The assassination of Israeli Prime Minister Yitzhak Rabin remains the single most consequential event in Israel's recent history, and one that fundamentally altered the trajectory for both Israel and the Palestinians. In *Killing a King*, Dan Ephron relates the parallel stories of Rabin and his stalker, Yigal Amir, over the two years leading up to the assassination, as one of them planned political deals he hoped would lead to peace, and the other plotted murder. Carefully reported, clearly presented, concise and gripping, It stands as a reminder that what happened on a Tel Aviv sidewalk 20 years ago is as important to understanding Israel as any of its wars (Matti Friedman, The Washington Post).

Palestine Speaks Cate Malek.2014-11-11 The occupation of the West Bank and Gaza has been one of the world's most widely reported yet least

understood human rights crises for over four decades. In this oral history collection, men and women from Palestine—including a fisherman, a settlement administrator, and a marathon runner—describe in their own words how their lives have been shaped by the historic crisis. Other narrators include: ABEER, a young journalist from Gaza City who launched her career by covering bombing raids on the Gaza Strip. IBTISAM, the director of a multi-faith children's center in the West Bank whose dream of starting a similar center in Gaza has so far been hindered by border closures. GHASSAN, an Arab-Christian physics professor and activist from Bethlehem who co-founded the International Solidarity Movement. *Netanyahu* Ben Kaspit, Ilan Kfir. 1998 Filled with behind-the-scenes stories and revelations about the youngest Israeli prime minister ever, Netanyahu provides a biography of a man both loathed and admired. of photos.

The Palestinian People Baruch Kimmerling. 2009-07-01 In a timely reminder of how the past informs the present, Baruch Kimmerling and Joel Migdal offer an authoritative account of the history of the Palestinian people from their modern origins to the Oslo peace process and beyond. Palestinians struggled to create themselves as a people from the first revolt of the Arabs in Palestine in 1834 through the British Mandate to the impact of Zionism and the founding of Israel. Their relationship with the Jewish people and the State of Israel has been fundamental in shaping that identity, and today Palestinians find themselves again at a critical juncture. In the 1990s cornerstones for peace were laid for eventual Palestinian-Israeli coexistence, including mutual acceptance, the renunciation of violence as a permanent strategy, and the establishment for the first time of Palestinian self-government. But the dawn of the twenty-first century saw a reversion to unmitigated hatred and mutual demonization. By mid-2002 the brutal violence of the Intifada had crippled Palestine's fledgling political institutions and threatened the fragile social cohesion painstakingly constructed after 1967. Kimmerling and Migdal unravel what went right--and what went wrong--in the Oslo peace process, and what lessons we can draw about the forces that help to shape a people. The authors present a balanced, insightful, and sobering look at the realities of creating peace in the Middle East.

Edge of Faith Prabuddha Das Gupta, William Dalrymple. 2009 Black and white photographs explore both the history of Goa's Catholic past and its struggle to deal with its multicultural multireligious present.

Talking to God Naomi Levy. 2007-12-18 After the publication of her best-selling book *To Begin Again*, Naomi Levy received a flood of feedback from readers telling her how much the prayers in it had helped and moved them. Many urged her to publish a collection of her prayers—and now she has. In a time when we all need inspiration, comfort, and connection, *Talking to God* will help us reclaim prayer as an integral part of our lives, making it as natural and uninhibited as talking to our loved ones. Prayer is essential to the lives of millions, but many of us are searching for ways to supplement traditional prayers with ones that are less formal and more intimate. Written in a simple and direct style, the prayers in this book—and the wonderful stories that accompany them—are for people of all faiths, and for all occasions large and small. Naomi Levy's personal prayers address the anxieties and roadblocks we all face in contemporary life. There are prayers for facing a new day, realizing one's potential at work, celebrating an anniversary or birthday, and going to sleep at night. And there are prayers for the more profound occurrences in life—love and marriage, pregnancy and childbirth, illness, loss, and death. Rabbi Levy's words, imbued with grace and empathy, touch on the entire range of human experience. Many of us will recognize ourselves in her prayers and stories and will be comforted by them, as well as challenged and uplifted. Perhaps most important, they are stepping-stones for us to go on and create our own prayers, to find meaning in our own lives, and to begin or renew our own relationships with God. From the Hardcover edition.

Sharon (Enhanced Edition) Gilad Sharon. 2011-10-25 Gilad Sharon, the prime minister's youngest son and close confidant, has combed through his father's vast archive to offer a rare, intimate, and compelling look at one man's evolution into one of the world's most powerful and influential figures. Filled with news-making revelations, nine exclusive videos, and 6 exclusive audio clips, the enhanced e-book of *Sharon* provides a rare window into the day-to-day life of a prime minister as well as a dazzling portrait of a legendary elder statesman and the nation he helped build. (The book may take longer to download than expected due to its large file size).

Meyer Lansky Dennis Eisenberg, Uri Dan, Eli Landau. 1979

Shadow Strike Yaakov Katz. 2019-05-07 A 2019 National Jewish Book Award Finalist At the top of my reading list. —Alan Dershowitz, professor emeritus at Harvard Law School Reads like an international thriller, but it is actually a compelling factual day-by-day (and sometimes hour-by-hour) account of an incident of acute threat and decisive action by the Jewish state.... —Jonathan Kirsch, *Jewish Journal Review* The never-before-told inside story of how Israel stopped Syria from becoming a global nuclear nightmare—and its far-reaching implications On September 6, 2007, shortly after midnight, Israeli fighters advanced on Deir ez-Zour in Syria. Israel often flew into Syria as a warning to President Bashar al-Assad. But this time, there was no warning and no explanation. This was a covert operation, with one goal: to destroy a nuclear reactor being built by North Korea under a tight veil of secrecy in the Syrian desert. *Shadow Strike* tells, for the first time, the story of the espionage, political courage, military might and psychological warfare behind Israel's daring operation to stop one of the greatest known acts of nuclear proliferation. It also brings Israel's powerful military and diplomatic alliance with the United States to life, revealing the debates President Bush had with Vice President Cheney and Israeli Prime Minister Ehud Olmert as well as the diplomatic and military planning that took place in the Oval Office, the Prime Minister's Office in Jerusalem, and inside the IDF's underground war room beneath Tel Aviv. These two countries remain united in a battle to prevent nuclear proliferation, to defeat Islamic terror, and to curtail Iran's attempts to spread its hegemony throughout the Middle East. Yaakov Katz's *Shadow Strike* explores how this operation continues to impact the world we live in today and if what happened in 2007 is a sign of what Israel will need to do one day to stop Iran's nuclear program. It also asks: had Israel not carried out this mission, what would the Middle East look like today?

Ariel Sharon Uri Dan. 2015-03-24 In 1954 reporter Uri Dan met a young military commander named Ariel Sharon and followed him closely for more than half a century. Dan became Sharon's trusted advisor and a witness to the defining moments of the Israeli-Palestinian conflict—from secret meetings with heads of state to open warfare in the Sinai. This riveting combination of political history, narrative biography, interviews, and correspondence sheds new light on the conflict in the Middle East and provides an intimate, definitive portrait of Ariel Sharon—a man whose life is inextricably intertwined with Israel's destiny. With Hamas governing Palestine, Ariel Sharon gravely ill and the party he founded, the Kadima, in control of the Knesset, this book couldn't be more timely.

1967 Tom Segev. 2007-05-29 A marvelous achievement . . . Anyone curious about the extraordinary six days of Arab-Israeli war will learn much from it.—*The Economist* Tom Segev's acclaimed works *One Palestine, Complete* and *The Seventh Million* overturned accepted views of the history of Israel. Now, in 1967—a number-one bestseller in Hebrew—he brings his masterful skills to the watershed year when six days of war reshaped the country and the entire region. Going far beyond a military account, Segev re-creates the crisis in Israel before 1967, showing how economic recession, a full grasp of the Holocaust's horrors, and the dire threats made by neighbor states combined to produce a climate of apocalypse. He depicts the country's bravado after its victory, the mood revealed in a popular joke in which one soldier says to his friend, Let's take over Cairo; the friend replies, Then what shall we do in the afternoon? Drawing on unpublished letters and diaries, as well as government memos and military records, Segev reconstructs an era of new possibilities and tragic missteps. He introduces the legendary figures—Moshe Dayan, Golda Meir, Gamal Abdul Nasser, and Lyndon Johnson—and an epic cast of soldiers, lobbyists, refugees, and settlers. He reveals as never before Israel's intimacy with the White House as well as the political rivalries that sabotaged any chance of peace. Above all, he challenges the view that the war was inevitable, showing that a series of disastrous miscalculations lie behind the bloodshed. A vibrant and original history, *1967* is sure to stand as the definitive account of that pivotal year.

A Midwife's Tale Laurel Thatcher Ulrich. 2010-12-22 PULITZER PRIZE WINNER • Drawing on the diaries of one woman in eighteenth-century Maine, A truly talented historian unravels the fascinating life of a community that is so foreign, and yet so similar to our own (*The New York Times Book Review*). Between 1785 and 1812 a midwife and healer named Martha Ballard kept a diary that recorded her arduous work (in 27 years she attended 816 births) as well as her domestic life in Hallowell, Maine. On the basis of that diary, Laurel Thatcher Ulrich gives us an intimate and densely imagined portrait, not only of the industrious and reticent Martha Ballard but of her society. At once lively and impeccably scholarly, *A Midwife's Tale*

is a triumph of history on a human scale.

The Israeli Mind Alon Gratch.2015-09-01 Israelis are bold and visionary, passionate and generous. But they can also be grandiose and self-absorbed. Emerging from the depths of Jewish history and the drama of the Zionist rebellion against it, they have a deeply conflicted identity. They are willing to sacrifice themselves for the collective, but also to sacrifice that very collective for a higher, and likely unattainable, ideal. Resolving these internal conflicts and coming to terms with the trauma of the Holocaust are imperative to Israel's survival as a nation and to the stability of the world. Alon Gratch, a clinical psychologist whose family has lived in Israel for generations, is uniquely positioned to confront these issues. Like the Israeli psyche that Gratch details, *The Israeli Mind* is both intimate and universal. Intelligent and forthright, compassionate but sometimes maddening, it is an utterly compelling read. Drawing on a broad cultural and historical canvas, and weaving in the author's personal and professional experience, *The Israeli Mind* presents a provocative, first-hand portrait of the Israeli national character.

Former Leaders in Modern Democracies K. Theakston,J. de Vries,Jouke de Vries.2012-01-01 What comes next for a former leader in a democracy - a Prime Minister or President obliged to leave office because they have lost an election, come to the end of their constitutionally-fixed term, lost the backing of their party, or chosen to leave? This book analyses the role and political influence of former leaders in Western democratic states.

My Father, His Daughter Yaël Dayan.2015-04-07 A life of one of Israel's greatest heroes, as seen through his daughter's eyes Moshe Dayan was one of the greatest military leaders in Israel's short history. A child of the first kibbutz movement in British Palestine, he went on to lead Israel to victory in the 1948 War of Independence and to liberate Jerusalem in the 1967 Six-Day War. Dayan was not only a soldier but a politician, an archaeologist, and a larger-than-life figure who helped shape the state of Israel. In *My Father, His Daughter*, Yaël Dayan, who herself served in the Israeli Parliament, shares an uncensored look into her father's life and her own conflicted relationship with him. With poignancy and candor, Dayan creates a profound yet nuanced profile of her father. She relates his strong national pride, his boldness in dealing with other world leaders, and his troubles at home to his disintegrating marriage and multiple affairs. As revealing as *My Father, His Daughter* is of the man behind the myth, it is also a snapshot of a loving relationship between Yaël and Moshe Dayan, and of a daughter's admiration and respect for a complicated but loving father.

Lilibet Carolly Erickson.2007-04-01 In *Lilibet*, master biographer Carolly Erickson turns her skill at writing un-put-downable narrative to telling the remarkable story of Elizabeth II, Queen of England. With her customary psychological insight, historian Erickson traces the queen's gilded but often thorny path from her overprotected girlhood to her ascension to the throne at twenty-five to her personal and national difficulties as queen. *Lilibet* shows us an Elizabeth we thought we knew-but shows her in a different light: as a small, shy woman with a sly and at times raucous sense of humor, a woman who appears stiff in public, but in private enjoys watching wrestling on TV. A woman most at home among her horses and dogs. And a woman long annealed to heartbreak and sorrow, who has presided over the decline of Great Britain and the decline in prestige of her own Windsor dynasty. Far from being a light, gossipy treatment of a celebrity, *Lilibet* tells the queen's story from her point of view, letting the reader relive Elizabeth's long and eventful life with all its splendid ceremonies, momentous responsibilities and family clashes. Through it all we glimpse, as never before, the strong and appealing sovereign who has ruled over her people for half a century and more, a ruler of immense wealth, international esteem and high character whose daily life is grounded in the bedrock of common sense.

From Beirut to Jerusalem Thomas L. Friedman.2010-04-01 This revised edition of the number-one bestseller and winner of the 1989 National Book Award includes the Pulitzer Prize-winning author's new, updated epilogue. One of the most thought-provoking books ever written about the Middle East, *From Beirut to Jerusalem* remains vital to our understanding of this complex and volatile region of the world. Three-time Pulitzer Prize winner Thomas L. Friedman drew upon his ten years of experience reporting from Lebanon and Israel to write this now-classic work of journalism. In a new afterword, he updates his journey with a fresh discussion of the Arab Awakenings and how they are transforming the area, and a new look at relations between Israelis and Palestinians, and Israelis and Israelis. Rich with anecdote, history, analysis, and autobiography, *From Beirut to Jerusalem* will continue to shape how we see the Middle East for many years to come. If you're only going to read one book on the Middle East, this is it.--Seymour M. Hersh

Fortress Israel Patrick Tyler.2012-09-18 Once in the military system, Israelis never fully exit, writes the prizewinning journalist Patrick Tyler in the prologue to *Fortress Israel*. They carry the military identity for life, not just through service in the reserves until age forty-nine . . . but through lifelong expectations of loyalty and secrecy. The military is the country to a great extent, and peace will only come, Tyler argues, when Israel's military elite adopt it as the national strategy. *Fortress Israel* is an epic portrayal of Israel's martial culture—of Sparta presenting itself as Athens. From Israel's founding in 1948, we see a leadership class engaged in an intense ideological struggle over whether to become the light unto nations, as envisioned by the early Zionists, or to embrace an ideology of state militarism with the objective of expanding borders and exploiting the weaknesses of the Arabs. In his first decade as prime minister, David Ben-Gurion conceived of a militarized society, dominated by a powerful defense establishment and capable of defeating the Arabs in serial warfare over many decades. Bound by self-reliance and a stern resolve never to forget the Holocaust, Israel's military elite has prevailed in war but has also at times overpowered Israel's democracy. Tyler takes us inside the military culture of Moshe Dayan, Yitzhak Rabin, Ariel Sharon, and Benjamin Netanyahu, introducing us to generals who make decisions that trump those of elected leaders and who disdain diplomacy as appeasement or surrender. *Fortress Israel* shows us how this martial culture envelops every family. Israeli youth go through three years of compulsory military service after high school, and acceptance into elite commando units or air force squadrons brings lasting prestige and a network for life. So ingrained is the martial outlook and identity, Tyler argues, that Israelis are missing opportunities to make peace even when it is possible to do so. The Zionist movement had survived the onslaught of world wars, the Holocaust, and clashes of ideology, writes Tyler, but in the modern era of statehood, Israel seemed incapable of fielding a generation of leaders who could adapt to the times, who were dedicated to ending . . . [Israel's] isolation, or to changing the paradigm of military preeminence. Based on a vast array of sources, declassified documents, personal archives, and interviews across the spectrum of Israel's ruling class, *Fortress Israel* is a remarkable story of character, rivalry, conflict, and the competing impulses for war and for peace in the Middle East.

Perceptions of Palestine Kathleen Christison.2023-04-28 For most of the twentieth century, considered opinion in the United States regarding Palestine has favored the inherent right of Jews to exist in the Holy Land. That Palestinians, as a native population, could claim the same right has been largely ignored. Kathleen Christison's controversial new book shows how the endurance of such assumptions, along with America's singular focus on Israel and general ignorance of the Palestinian point of view, has impeded a resolution to the Arab-Israeli conflict. Christison begins with the derogatory images of Arabs purveyed by Western travelers to the Middle East in the nineteenth century, including Mark Twain, who wrote that Palestine's inhabitants were abject beggars by nature, instinct, and education. She demonstrates other elements that have influenced U.S. policymakers: American religious attitudes toward the Holy Land that legitimize the Jewish presence; sympathy for Jews derived from the Holocaust; a sense of cultural identity wherein Israelis are like us and Arabs distant aliens. She makes a forceful case that decades of negative portrayals of Palestinians have distorted U.S. policy, making it virtually impossible to promote resolutions based on equality and reciprocity between Palestinians and Israelis. Christison also challenges prevalent media images and emphasizes the importance of terminology: Two examples are the designation of who is a terrorist and the imposition of place names (which can pass judgment on ownership). Christison's thoughtful book raises a final disturbing question: If a broader frame of reference on the Palestinian-Israeli conflict had been employed, allowing a less warped public discourse, might not years of warfare have been avoided and steps toward peace achieved much earlier?

Ariel Sharon .2005

Warrior Ariel Sharon,David Chanoff.2001-10-01 In this autobiography, former Prime Minister of Israel Ariel Sharon tells his captivating story with frankness, power, intelligence, and a brilliant gift for detail. Prime Minister of Israel from March 2001 to April 2006, Ariel Sharon was a dynamic and controversial leader. A hero in Israel's wars, perhaps the most daring and successful commander in Israel's extraordinary military history, Sharon has always been a warrior, whether the enemies were hostile Arab nations, terrorists, Time magazine, or rival politicians. The public man is well known—aggressive in battle, hardline in politics—but the private man has always been obscured by Sharon's dazzling career and powerful

personality. In this compelling and dramatic autobiography, the real Sharon appears for the first time: a complex man, a loving father, a figure of courage and compassion. A warrior who commands the respect and love of his troops, a visionary, and an uncompromising, ruthless pragmatist, Sharon is as outspoken as his friends—and enemies—would expect him to be.

Daisy Bates Grif Stockley.2009-09-18 A biography of the courageous mentor to the Little Rock Nine

Sharon Gilad Sharon.2012-11-20 Drawn from extensive personal archives and filled with startling revelations, the definitive biography of Ariel Sharon illuminates his life and work from the penetrating perspective of his youngest son, Gilad Sharon—one of his father's closest confidants. Readers of George W. Bush's *Decision Points*, Tony Blair's *A Journey*, Yitzhak Rabin's *The Rabin Memoirs*, and Moshe Dayan's *Story of My Life*, as well as Benjamin Netanyahu's *A Durable Peace*, will be fascinated by Gilad Sharon's piercing, authoritative, and intimate portrait of Ariel Sharon the Prime Minister, the father, and the military hero, in a narrative that traces his evolution into a powerful and influential force at the center of Middle Eastern and world politics.

The Huntington Family in America Huntington Family Association.1915

War Without End Anton La Guardia.2003-05-23 With an experienced journalist's eye, La Guardia offers a close look at the Israelis as they come to terms with the post-Zionist demolition of national myths and the Palestinians as they try to build their own state. 16 illustrations.

The Only Language They Understand Nathan Thrall.2017-05-16 In a myth-busting analysis of the world's most intractable conflict, a star of Middle East reporting argues that only one weapon has yielded progress: confrontation. Scattered over the territory between the Jordan River and the Mediterranean Sea lie the remnants of failed peace proposals, international summits, secret negotiations, UN resolutions and state-building efforts. The conventional story is that these well-meaning attempts at peacemaking were repeatedly thwarted by the use of violence. Through a rich interweaving of reportage, historical narrative and forceful analysis, Nathan Thrall presents a startling counter-history. He shows that Israelis and Palestinians have persistently been marching toward partition, but not through the high politics of diplomacy or the incremental building of a Palestinian state. In fact, negotiation, collaboration and state-building--the prescription of successive American administrations--have paradoxically entrenched the conflict in multiple ways. They have created the illusion that a solution is at hand, lessened Israel's incentives to end its control over the West Bank and Gaza and undermined Palestinian unity. Ultimately, it is those who have embraced confrontation through boycotts, lawsuits, resolutions imposed by outside powers, protests, civil disobedience, and even violence who have brought about the most significant change. Published as Israel's occupation of East Jerusalem, the West Bank, and Gaza reaches its fiftieth year, which is also the centenary of the Balfour Declaration that first promised a Jewish national home in Palestine, *The Only Language They Understand* advances a bold thesis that shatters ingrained positions of both left and right and provides a new and eye-opening understanding of this most vexed of lands.

My Promised Land Ari Shavit.2013-11-19 NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW AND THE ECONOMIST Winner of the Natan Book Award, the National Jewish Book Award, and the Anisfield-Wolf Book Award An authoritative and deeply personal narrative history of the State of Israel, by one of the most influential journalists writing about the Middle East today Not since Thomas L. Friedman's groundbreaking *From Beirut to Jerusalem* has a book captured the essence and the beating heart of the Middle East as keenly and dynamically as *My Promised Land*. Facing unprecedented internal and external pressures, Israel today is at a moment of existential crisis. Ari Shavit draws on interviews, historical documents, private diaries, and letters, as well as his own family's story, illuminating the pivotal moments of the Zionist century to tell a riveting narrative that is larger than the sum of its parts: both personal and national, both deeply human and of profound historical dimension. We meet Shavit's great-grandfather, a British Zionist who in 1897 visited the Holy Land on a Thomas Cook tour and understood that it was the way of the future for his people; the idealist young farmer who bought land from his Arab neighbor in the 1920s to grow the Jaffa oranges that would create Palestine's booming economy; the visionary youth group leader who, in the 1940s, transformed Masada from the neglected ruins of an extremist sect into a powerful symbol for Zionism; the Palestinian who as a young man in 1948 was driven with his family from his home during the expulsion from Lydda; the immigrant orphans of Europe's Holocaust, who took on menial work and focused on raising their children to become the leaders of the new state; the pragmatic engineer who was instrumental in developing Israel's nuclear program in the 1960s, in the only interview he ever gave; the zealous religious Zionists who started the settler movement in the 1970s; the dot-com entrepreneurs and young men and women behind Tel-Aviv's booming club scene; and today's architects of Israel's foreign policy with Iran, whose nuclear threat looms ominously over the tiny country. As it examines the complexities and contradictions of the Israeli condition, *My Promised Land* asks difficult but important questions: Why did Israel come to be? How did it come to be? Can Israel survive? Culminating with an analysis of the issues and threats that Israel is currently facing, *My Promised Land* uses the defining events of the past to shed new light on the present. The result is a landmark portrait of a small, vibrant country living on the edge, whose identity and presence play a crucial role in today's global political landscape. Praise for *My Promised Land* "This book will sweep you up in its narrative force and not let go of you until it is done. [Shavit's] accomplishment is so unlikely, so total . . . that it makes you believe anything is possible, even, God help us, peace in the Middle East."—Simon Schama, *Financial Times* "[A] must-read book."—Thomas L. Friedman, *The New York Times* "Important and powerful . . . the least tendentious book about Israel I have ever read."—Leon Wieseltier, *The New York Times Book Review* "Spellbinding . . . Shavit's prophetic voice carries lessons that all sides need to hear."—*The Economist* "One of the most nuanced and challenging books written on Israel in years."—*The Wall Street Journal*

Scars of War, Wounds of Peace Shlomo Ben-Ami.2007 An insightful and thorough account of the Arab-Israeli conflict ranges from the birth of Israel to the present day, told from firsthand knowledge of the major characters and events, written by a former high-ranking Israeli official.

Dinner at the Center of the Earth Nathan Englander.2017-09-05 A political thriller set against the Israeli-Palestinian conflict, from the Pulitzer-nominated, bestselling author of *For the Relief of Unbearable Urges*. A *Los Angeles Times* Best Book of the Year "Blends elements of spy thriller and love story, magical realism, and an all-too-real history of one of the world's most intractable problems: peace between Israel and its neighbors. —*The Boston Globe* In the Negev desert, a nameless prisoner languishes in a secret cell, his only companion the guard who has watched over him for a dozen years. Meanwhile, the prisoner's arch nemesis—The General, Israel's most controversial leader—lies dying in a hospital bed. From Israel and Gaza to Paris, Italy, and America, Englander provides a kaleidoscopic view of the prisoner's unlikely journey to his cell. *Dinner at the Center of the Earth* is a tour de force—a powerful, wryly funny, intensely suspenseful portrait of a nation riven by insoluble conflict, and the man who improbably lands at the center of it all.

Operation Defensive Shield Eyal Raz, Yael Stein.2002

90 Minutes at Entebbe William Stevenson.2015-01-06 The incredible story of an Israeli mission that rescued 103 hostages from a hijacked jetliner. On June 27, 1976, Air France Flight 139 was hijacked by terrorists and flown to Entebbe Airport in Uganda. In the following agonizing days, Israeli passengers were singled out and held hostage. A week later on July 4, one hundred Israeli commandos raced 2,500 miles from Israel to Entebbe, landed in the middle of the night, and in a heart-stopping mission that lasted ninety minutes, killed all guerillas and freed 103 hostages. In captivating detail, Stevenson provides a fast-paced hour-by-hour narration from the hijacking to the final ninety-minute mission. In addition to discussing the incredible rescue itself, Stevenson also covers the political backdrop behind the hijacking, especially Ugandan President Idi Amin's support for the hijackers, which marked one of the first times a leader of a nation had backed terrorist activities. An illustration of one nation's undying spirit, heroism, and commitment to its people in the face of threat, *Operation Thunderbolt* has become a legendary antiterrorist tale. Although first written in 1976 (and published within weeks of the event), Stevenson's account presents this act of terrorism in a way that is still relevant in our modern-day political climate. A factual account of what could easily be read as sensational fiction, *90 Minutes at Entebbe* will inspire, encourage, and instill hope in all readers. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors

whose work might not otherwise find a home.

Love Cemetery China Galland.2009-10-13 One woman's struggle to restore an old slave cemetery uncovers centuries-old racism When China Galland visited her childhood hometown in east Texas, she learned of an unmarked cemetery for slaves-Love Cemetery. Her ensuing quest to restore and reclaim the cemetery unearths racial wounds that have never completely healed. Research becomes activism as she organizes a grassroots, interracial committee, made up of local religious leaders and lay people, to work on restoring community access to the cemetery. The author also presents material from the time of slavery and the Reconstruction Era, including stories of "landtakings" (the theft of land from African Americans), and forms of slavery that continued well into the twentieth century. Ultimately Keepers of Love delivers a message of tremendous hope as members of both black and white communities come together to right an historical wrong, and in so doing, discover each other's common dignity. "Galland captures the struggle to reclaim one small cemetery in Texas with such engrossing drama and personal detail that the story becomes something larger still-a universal struggle to reclaim the ground of Deep Compassion that lies untended in the human heart."-Sue Monk Kidd

Thank you very much for reading **Ariel Sharon An Intimate Portrait**. Maybe you have knowledge that, people have look hundreds times for their favorite books like this Ariel Sharon An Intimate Portrait, but end up in malicious downloads.

Ariel Sharon An Intimate Portrait Introduction

In the digital age, access to information has become easier than ever before. The ability to download Ariel Sharon An Intimate Portrait has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Ariel Sharon An Intimate Portrait has opened up a world of possibilities. Downloading Ariel Sharon An Intimate Portrait provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Ariel Sharon An Intimate Portrait has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Ariel Sharon An Intimate Portrait. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Ariel Sharon An Intimate Portrait. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Ariel Sharon An Intimate Portrait, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the

legitimacy of the websites they are downloading from. In conclusion, the ability to download Ariel Sharon An Intimate Portrait has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Ariel Sharon An Intimate Portrait Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Ariel Sharon An Intimate Portrait is one of the best book in our library for free trial. in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Ariel Sharon An Intimate Portrait is universally compatible with any devices to read.

Find Ariel Sharon An Intimate Portrait

The split between “free public domain ebooks” and “free original ebooks” is surprisingly even. A big chunk of the public domain titles are short stories and a lot of the original titles are fanfiction. Still, if you do a bit of digging around, you’ll find some interesting stories. Because this site is dedicated to free books, there’s none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site’s genres are presented on the homepage, so you don’t have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars). Kobo Reading App: This is another nice e-reader app that's available for Windows Phone, BlackBerry, Android, iPhone, iPad, and Windows and Mac computers. Apple iBooks: This is a really cool e-reader app that's only available for Apple In addition to these basic search options, you can also use ManyBooks Advanced Search to pinpoint exactly what you're looking for. There's also the ManyBooks RSS feeds that can keep you up to date on a variety of new content, including: All New Titles By Language. Read Your Google Ebook. You can also keep shopping for more books, free or otherwise. You can get back to this and any other book at any time by clicking on the My Google eBooks link. You'll find that link on just about every page in the Google eBookstore, so look for it at any time. As of this writing, Gutenberg has over 57,000 free ebooks on offer. They are available for download in EPUB and MOBI formats (some are only available in one of the two), and they can be read online in HTML format. If you're looking for out-of-print books in different languages and formats, check out this non-profit digital library. The Internet Archive is a great go-to if you want access to historical and academic books. Both fiction and non-fiction are covered, spanning different genres (e.g. science fiction, fantasy, thrillers, romance) and types (e.g. novels, comics, essays, textbooks). Looking for a new way to enjoy your ebooks? Take a look at our guide to the best free ebook readers
