Canadiana .1979-10

The Gnostic New Age April D. DeConick.2016-09-27 Gnosticism is a countercultural spirituality that forever changed the practice of Christianity. Before it emerged in the second century, passage to the afterlife required obedience to God and king. Gnosticism proposed that human beings were manifestations of the divine, unsettling the hierarchical foundations of the ancient world. Subversive and revolutionary, Gnostics taught that prayer and mediation could bring human beings into an ecstatic spiritual union with a transcendent deity. This mystical strain affected not just Christianity but many other religions, and it characterizes our understanding of the purpose and meaning of religion today. In *The Gnostic New Age*, April D. DeConick recovers this vibrant underground history to prove that Gnosticism was not suppressed or defeated by the Catholic Church long ago, nor was the movement a fabrication to justify the violent repression of alternative forms of Christianity. Gnosticism alleviated human suffering, soothing feelings of existential brokenness and alienation through the promise of renewal as God. DeConick begins in ancient Egypt and follows with the rise of Gnosticism in the Middle Ages, the advent of theosophy and other occult movements in the nineteenth and early twentieth centuries, and contemporary New Age spiritual philosophies. As these theories find expression in science-fiction and fantasy films, DeConick sees evidence of Gnosticism's next incarnation. Her work emphasizes the universal, countercultural appeal of a movement that embodies much more than a simple challenge to religious authority.

Les Aventures de John Davys Alexandre Dumas.2023-05-15 John Davys passe son enfance seul, entre son père, glorieux officier de marine à la retraite et sa tendre mère. Après quelques années au collège, il embarque lui aussi. Sa carrière lui fait découvrir tous les aspects de la vie à bord: beauté et intérêt de la navigation et des escales, rencontre avec des personnages marquants mais aussi rudesse des marins. En butte aux injustices de Burke, le second du bâtiment, il décide de se venger et le tue en duel. Sa carrière est brisée, il est exilé. Après avoir subi un naufrage et survécu miraculeusement à un abordage, il se lie avec un chef de pirates, Constantin. Admis à pénétrer dans son repaire, il tombe passionnément amoureux de sa fille Fatinitza. Avant de l'épouser, il décide de recevoir la bénédiction de ses parents, qui le rappellent à Londres pour que son procès soit révisé. De retour en Angleterre, il est jugé puis acquitté, et reçoit le consentement de ses parents. Malheureusement, son retour est beaucoup plus long que prévu...

Mythologies, religion et philosophie de l'histoire dans Herodote Guy Lachenaud.1978

Oeuvres complètes Montesquieu.1877

Mémorial Sylvain Lévi Sylvain Lévi.1996 These fortythree papers of Sylvain Levi brought together by the good offices if Louis Renou, fall into two groups: in the one, essays, lectures, course resumes and travel reports which, though without doubt scholarly works, address an audience larger that that of the specialist; in the other, erudite articles in which paleography, epigraphy and philology directly contribute their methods and materials towards a history of the civilization and thought of the Indian world. This collection which contains only a very small part of Sylvain Levi`s oeuvre, provides however a faithful picture of it. One sees in it the ardent desire animating him to convey to the Occident Indian humanity.
