*Leviathan - Revised Edition* Thomas Hobbes.2010-12-23 Thomas Hobbes's Leviathan is the greatest work of political philosophy in English and the first great work of philosophy in English. Beginning with premises that were sometimes controversial, such as that every human action is caused by the agent's desire for his own good, Hobbes derived shocking conclusions, such as that the civil government enjoys absolute control over its citizens and that the sovereign has the right to determine which religion is to be practiced in a commonwealth. Hobbes's contemporaries recognized the power of arguments in Leviathan and many of them wrote responses to it; selections by John Bramhall, Robert Filmer, Edward Hyde, George Lawson, William Lucy, Samuel Pufendorf, and Thomas Tenison are included in this edition. Leviathan is divided into four parts: In the first part, Of Man, Hobbes presents a view of human beings and of the natural world in general that is materialistic and mechanistic. In the second part, Of Commonwealth, he defends the theory of absolute sovereignty, the view that the government has all the political power and has the right to control any aspect of life. In the third part, Of a Christian Commonwealth, he critiques concepts like revelation, prophets, and miracles in such a way that it becomes doubtful whether they can be rationally justified. In the fourth part, Of the Kingdom of Darkness, he explains various ways in which priestly religion has corrupted religion and transgressed the rights of the sovereign.

*Raised with Christ* Adrian Warnock.2009-12-22 Jesus truly is alive today. But compared to his atoning death, Jesus' resurrection sparks relatively little discussion in the church. Inadvertently,we can become so focused on the good news that Christ died for our sins, that we almost forget he was raised for our justification (Romans 4:25). In *Raised with Christ*, author Adrian Warnock exhorts Christians not to neglect the resurrection in their teaching and experience. Warnock takes his cue from Acts, where every recorded sermon focuses on Jesus' resurrection. He stresses that Christians who faithfully proclaim both the death and the bodily resurrection of Jesus, and live out the implications of that message in vibrant,grace-filled churches, will be enabled to reach a world that lives in death's dark shadow. The power of the risen Christ is active in every true Christian, transforming our lives. *Raised with Christ* will help you discover afresh the massive implications of the empty tomb. Jesus' resurrection really has changed everything.

**The Realm of Power to Raise the Dead** Apostle Frequency Revelator.2015-01-02 Do you want God to use you mightily to launch the world into greater depths of the miraculous by raising the dead? Have you ever pictured yourself taking centre of the world stage in a global revival that involves mass resurrections of people from the dead? This is the right book for you because God is calling men and women to step out of the convictions of ordinary life of mediocrity and complacency into a realm of overflowing, explosive and electrifying resurrection power. As the Founder of the Global Church and the President of Christ Resurrection Movement (CRM), Apostle Frequency Revelator unpacks a rare but provocative revelation that the dead are raised in this end time season as God is launching men and women into a deeper walk with Him to a special resurrection ministry, to display the fullness of His majesty and glory. In essence we are living in the days of the latter glory, a season whereby we shall witness a heightened degree of miracles, signs and wonder ever recorded in the history of the bible. Mass resurrection of people from the dead is one of the notable miracles, which shall become a common experience to God s children in these end times as God unleashes the fullness of His power to conclude His eternal plan on earth. This is indeed the ripe opportune time to raise the dead! However, there are a multitudes of books written on various Christian subjects today but rarely is there one on the raising of the dead. This is not just an ordinary book; it has been ordained and endorsed by heaven. I believe it carries God stamp of approval, validated and authenticated by the inscription of His own handwriting that the dead should be raised with a sense of urgency. This book is a catalyst that shall take you through a journey out of the convictions of ordinary life of mediocrity and powerlessness to plunge into the greater depths of the miraculous.

The First Epistle to the Corinthians, Revised Edition Gordon D. Fee.2014-11-30 This landmark commentary, originally published in 1987, has been lauded as the best study available of Paul's theologically rich first letter to the Corinthians. Writing primarily for pastors, teachers, and students, Gordon Fee offers a readable exposition of 1 Corinthians that clearly describes the meaning of Paul's ideas and their larger theological relevance. Fee's revised edition is based on the improved, updated (2011) edition of the NIV, and it takes into account the considerable scholarship on 1 Corinthians over the past twenty-five years. Fee has also eliminated chapter and verse language -- totally foreign to Paul's first-century letter -- relegating the necessary numbers for finding things to parentheses.

**The Resurrection Power of God** Bill Vincent.2023-04-21 There is a level of faith that causes the dead to live. The Bible says it's elementary. This is a Chapter that we all need in the Church. I have been given divine revelations from the Holy Spirit and I believe we will see many resurrections in America and across the world. Have you been in the place where just when you have victory under your belt, the phone rings? Lazarus is dead. All hope that you had for your circumstance is dead. And God says, I am glad. Because it is not dead, it is sleeping. And if it is sleeping, I go that I may wake it up.

**Christ and Time, 3rd Edition** Oscar Cullmann.2018-08-17 "The object of the present work is to determine what is central in the Christian proclamation. We are tempted to represent as the 'kernel' or 'essence' of this proclamation that which appeals to us personally, and to consider as external and dispensable 'framework' that which is strange to us. It is due to the richness of the Christian message that the question as to the central element from which all the other features are to be explained arises at all, and the endeavor to determine this central element must be designated the one great task of New Testament scholarship, and perhaps of all Christian theology." —From the Foreword

*The Time of Christ's Return Revealed - Revised Edition* Charles P. Pierce.2009-08-31 This is the real thing! If you want to know when Jesus Christ will return to reign as LORD over all the earth, this book will tell you. The book is controversial because it is unique. The time given directly from the Bible is distant, unlike the majority of current views expounding the theory that the time of Christ's return is imminent in their lifetime. Multiple witnesses of scripture are used to provide Biblical evidence for definite timing of events. The book of Daniel gives the number of years between when the second Temple was destroyed in 70 AD until the Lord builds the Millennial Temple. Daniel also tells us the number of days it will take the Lord to replace the third Temple with the Millennial Temple. In the Gospel of John, Jesus tells us when He will build the Millennial Temple. Many witnesses throughout the Bible, including the book of Joshua, each confirm the same timing of events. The Church is given truth with the goal of increasing The Kingdom of God. The cause of problems and their effects are revealed along with a solution. Those who have ears to hear will do more than just listen. 523 page count 37 black and white images

**Systematic Theology, Second Edition** Wayne A. Grudem.2020-12-08 This new edition of Systematic Theology by Wayne Grudem is one of the most important resources for helping you understand Scripture and grow as a Christian. The most widely used resource of the last 25 years in its area, Systematic Theology has been thoroughly revised and expanded for the first time while retaining the features that have made it the standard in its field: clear explanations, an emphasis on each doctrine's scriptural basis, and practical applications to daily life. With nearly 250 pages of new content and revisions, this new edition now includes the following distinctive features: Updated analysis of recent controversies within evangelical theology, including the eternal relationship between the Father and the Son in the Trinity, the role of women in the church, miraculous gifts of the Holy Spirit, and contemporary worship music. New discussion and critiques of recent theological controversies situated outside of traditional evangelical theology, such as open theism, the new perspective on Paul, Molinism (or middle knowledge), Free Grace theology, and the preterist view of Christ's second coming. Completely revised chapter on the clarity of Scripture. Completely revised chapter on creation and evolution, including a longer critique of theistic evolution and an extensive discussion on the age of the earth. New discussion of how biblical inerrancy applies to some specific problem verses in the Gospels. Additional material explaining evangelical Protestant differences with Roman Catholicism, Protestant liberalism, and Mormonism. Completely updated bibliographies. All Scripture quotations updated from RSV to ESV. Updated section on contemporary worship music. Numerous other updates and corrections. Part of the brilliance of Systematic Theology has been its simplicity and ease of use. Each chapter follows the same structure: discussion of the doctrine being considered, an explanation of that doctrine's biblical support and possible objections, followed by personal application and key terms to know for personal growth. Chapters also include a Scripture memory passage, references to other literature on the topic, and suggested hymns and worship songs. If you think theology is hard to understand or boring, then this new edition of Systematic Theology will change your mind.
