Wild Rebel Laurelin Paige.2021-03-23 We were supposed to run away after graduation. When she didn't show at our meeting place, I got brave and went after her. It was a mistake. I left bloodied and bruised. I had no choice but to walk away. Years passed. I traveled, settled halfway around the world, made enough money that I didn't have to look back. But I never got over her. Then, out of the blue, she calls. And, what she asks for, the favor that she wants? I never thought I'd be willing to take a life. But the truth is, and always has been: I'd do anything for her.

Free Me (Found Duet - Book 1) Laurelin Paige.2014-12-09 Her story started long before she started working at The Sky Launch... Screw fairytales. The only reward Gwen Anders got from her rough childhood was a thick skin and hard heart. She's content with her daily grind managing a top NYC nightclub—Eighty-Eighth Floor. So hers isn't a happily ever after. She doesn't believe in those anyway. Then she meets J.C. The rich, smooth talking playboy is the sexiest thing that Gwen has ever encountered, but she's not interested in a night-in-shining latex. But when a family tragedy pushes her to the brink, it's J.C. who's there to teach her a new method of survival, one based on following primal urges and desires. His no-strings-attached lessons require her to abandon her constant need for control. Her carefully built walls are obliterated. Gwen discovers there's a beautiful world outside her prison. Freedom is exhilarating—and terrifying. When she starts to feel something for J.C., she fears for her heart.

Especially as she realizes that he has secrets of his own. Secrets that don't want to set him free. This series can be read as a standalone novel or as part of the Fixed Trilogy.

The hierarchy of caste is not about feelings or morality. It is about power—which groups have it and which do not.” In this brilliant book, Isabel Wilkerson gives us a masterful portrait of an unseen phenomenon in America as she explores, through an immersive, deeply researched, and beautifully written narrative and stories about real people, how America today and throughout its history has been shaped by a hidden caste system, a rigid hierarchy of human rankings. Beyond race, class, or other factors, there is a powerful caste system that influences people’s lives and behavior and the nation’s fate. Linking the caste systems of America, India, and Nazi Germany, Wilkerson explores eight pillars that underlie caste systems across civilizations, including divine will, bloodlines, stigma, and more. Using riveting stories about people—including Martin Luther King, Jr., baseball’s Satchel Paige, a single father and his toddler son, Wilkerson herself, and many others—she shows the ways that the insidious undertow of caste is experienced every day. She documents how the Nazis studied the racial systems in America to plan their outcasting of the Jews; she discusses why the cruel logic of caste requires that there be a bottom rung for those in the middle to measure themselves against; she writes about the surprising health costs of caste, in depression and life expectancy, and the effects of this hierarchy on our culture and politics. Finally, she points forward to ways America can move beyond the artificial and destructive separations of human divisions, toward hope in our common humanity. Original and revealing, *Caste: The Origins of Our Discontents* is an eye-opening story of people and history, and a reexamination of what lies under the surface of ordinary lives and of American life today.

Mr Fixer Upper Lucy Score. 2024-05-14 'He started to work the laces of his boots loose. Toeing them off, he tugged his t-shirt over his head. Oh my God. What are you doing? Paige's voice barely rose above the spray from the showerhead. I'm washing your damn hair.' It's a constant battle on set between sexy home renovation reality star grumpy Gannon and his no-nonsense field producer. Paige has zero time for temperamental talent, especially one who acts like being in front of the camera is the last thing he wants. Mr. Sex in a Toolbelt has made it his mission in life to get a rise out of her, but Paige is a master at locking down her temper. They're on the road together working long hours fixing houses and changing lives. When cracks in her legendary coolness start to show and sparks fly, Gannon is infatuated and the cameras are there to capture it. But he's fallen for pretty packages before and Paige won't be taken seriously if she's caught sleeping with the star of her show. She also can't seem to resist those big, rough hands. Those smoldering hazel eyes. The dimples. The toolbelt. That fiercely protective vibe. Too bad it's all about to fall apart. She never should have trusted him. He never should have let her go. Author's Note: A protective grumpy hero, a not easily impressed heroine, the worst human being

on TV ever, a grand gesture so big you'll need a box of tissues, and THAT SHOWER SCENE.

She climbed out of poverty, put herself through school and is now a chief financial advisor at Pierce Industries. She's certainly a woman who won't be topped. Not in business anyway. But she's pretty sure she'd like to be topped in the bedroom. Unfortunately most men see independence and ambition in a woman and they run. Even her dominant boss, Hudson Pierce has turned down her advances, leaving her to fear that she will never find the lover she's longing for. Then the most unlikely candidate steps up. Boyd, her much-too-young and oh-so-hot assistant surprises her one night with bold suggestions and an authoritative demeanor he's never shown her in the office. It's a bad idea...such a deliciously bad idea...but when Boyd takes the reins and leads her to sensual bliss she's never known, the headstrong Norma can't help but fall under his command.
