Makers with a Cause Gina Seymour.2018-06-06 This quick-start guide explains how to use inquiry to promote civic engagement in the school library makerspace and provides ready-to-use ideas for hands-on service projects. By creating for their community in the school library makerspace, young people not only develop academic and cognitive skills but also learn to value building a culture of caring. Award-winning author Gina Seymour discusses her initiative to empower students to take an active role in making a difference and outlines how to implement similar programs in any school library setting. The book may be used in school libraries in conjunction with a service learning model to extend the learning that takes place in classrooms and to make youth feel a valuable part of their community. Numerous service project ideas are presented, from simple, low-cost, no-tech, craft-based ideas to high-tech projects including 3-D models, and while the book focuses on youth in middle school and high school, many projects may also be used in elementary school. Detailed project instructions include tips for making programs inclusive for all youth, and money-saving tips to promote sustainability.

Inclusive Leisure Mary Ann Devine,Lynn Anderson.2022-05-04 *Inclusive Leisure: A Strengths-Based Approach With HKPropel Access* blends theoretical and practical information to prepare students to apply the concept of inclusivity to all aspects of the leisure and recreation field. *Inclusive Leisure* delivers foundational content to help readers understand inclusion and applies this knowledge to practical and applied scenarios. Grounded in a strengths-based approach, which focuses on a person's abilities rather than their limitations, the comprehensive text moves beyond programming and service delivery by exploring how inclusivity can be applied to administrative practices, organizational philosophy, personnel practices, infrastructure design, community relations, marketing, and more. Throughout the text, pedagogical aids such as learning outcomes, chapter summaries, and reflection questions help students retain and apply knowledge. *Inclusive Leisure* also includes the following features to enhance student engagement: Professionals in Action sidebars offer a real-world look at the common issues and inclusive solutions that have been employed by professionals in the field. Spotlight on Inclusion sidebars highlight leisure programs that are successfully practicing inclusion in a variety of settings. Global View on Inclusion sidebars illustrate the work of international organizations that are committed to spreading inclusive practices around the globe. Online learning tools delivered through HKPropel include sample forms and checklists, learning activities, website links, and chapter quizzes that are automatically graded to test comprehension of critical concepts. Part I of *Inclusive Leisure* outlines fundamental concepts needed to ground professional practice in inclusion. It defines the strengths-based approach and examines foundational and theoretical concepts as well as the legislation that mandates inclusive leisure services. Part II provides in-depth information on inclusive practices that can be used by leisure service professionals to ensure a positive experience for all individuals with disabilities. It challenges readers to go beyond inclusive programs and to apply inclusion in all organizational aspects. Part III offers applied information and examples of inclusion across the breadth of leisure services, including programming in sports, fitness, aquatics, art, outdoor adventure, travel and tourism, special events, and more. *Inclusive Leisure* asserts that disability is simply part of the human condition, that the strengths and abilities of people with disabilities must be at the forefront of inclusion, and that access to inclusive leisure is a matter of social justice and a critical professional practice. By learning theoretical and legal foundations, building on that knowledge with a multitude of applied elements, and establishing their practice in a strengths-based approach, students will be well prepared to create inclusive leisure environments and programming. Note: A code for accessing HKPropel is included with this ebook.

Hidden Treasures in Your Field Mr. Leon Patillo (Leon). 2022-08-01 Last year I was searching for one theme that would be woven through the Gospels of which, undeniably, love was at the base of them all. In my investigation, I discovered a lot of contributing themes that were hidden just beneath the surface, so I thought I would get out my spiritual shovel and start digging. And when I did, I discovered hidden treasures. On days when you just need a pick me up, this book will get your mind off your depression or challenges. Some readers say it's inspirational and will reveal ah-ha moments right before your eyes. Just the other day I was challenging myself concerning the next music release, which entails a new genre of music for our kids and grandkids. I was so overwhelmed by the challenge that I forgot who the real source of my success is. I started flipping through this book and ran into the exact story I needed to continue down this road. We still have to do the work, but it's as if the huge door in front of us have hands on ours, helping to push. So that's what you will experience as the ground around you becomes unearthed and you will find hidden treasures in your field. I recently discovered the ERV (Easy Reading Version). It breaks the verses down to more of a digestible language. There is nothing worse than to read a whole chapter and then start scratching your head wondering, What did He say? I love following our Savior's example of storytelling, so I have lots of stories, experiences, and testimonials woven throughout a book of memoirs. I pray this experience will help you see a fresh new side of Jesus and find hidden treasures in your field. ZIG ZIGLAR Since 1999, my father started encouraging Leon to write a book. He would say, If you've got something to say, write it down. Well this book is a product of that encouragement and a true Treasure indeed. - Julie Norman CARLOS SANTANA Leon brought the Gospel... DR. WAYNE CORDEIRO Leon Patillo's life is a true God story. His music, love for Jesus and zest for life are interwoven into a multicolored tapestry of miracles and grace. I have known Leon for many years. He has ministered at our church and college, and each time, he has left behind a lasting shimmer of God's beauty and grace. His life is a testimony of a man sold-out to the King of Kings! Dr. Wayne Cordeiro New Hope Christian College PHILIP BAILEY (Lead Vocalist for, Earth, Wind and Fire) I have known Leon, 4 decades. In the beginning of our relationship, he mentored me during our concert tour in Europe. Leon Patillo, is who God used to help me discover, Hidden Treasures in my life! www.leonpatillo.org.

The New Corporate Philanthropy Frank Koch.2012-12-06 Somehow it surprises me that this book wasn't written earlier, but I'm glad it wasn't. If it had been, Frank Koch probably wouldn't have sensed the vacuum that has existed, and this practical book wouldn't have come to be. I'd like to stress practical. The book describes in a comprehensive and-more importantly-practical way how every corporation can marshal its financial support,

employee talents, and other resources to make a meaningful impact on society. I happen to be one of those corporate executives who believes that a business has a responsibility to make such an impact. My brother Peter agrees. Our father and uncle set an example for us, and the tradition goes back to our great uncles and their uncle, Levi Strauss himself. For more than 125 years Levi Strauss & Co. has shown that social responsibility is good business and, in recent years, that it is also compatible with dynamic growth. We are proud of that tradition and what it produced, but I think the modern era of social responsibility or corporate citizenship at Levi's got its impetus in 1968 with my association with the National Alliance of Businessmen. It was there that I saw what other companies were doing: innovative ways to train, to transport, to provide jobs. It opened my eyes to areas in which business could become involved, areas I never before thought of as business responsibilities-even areas where it could have an impact.
