**Last Shot** Jock Zonfrillo.2021-07-28 A coming-of-age memoir of addiction, ambition and redemption in the high-stakes world of Michelin star kitchens. From reckless drug addict to one of Australia's top chefs and television stars: MasterChef judge Jock Zonfrillo's powerful life story will shock and inspire. Jock's life spiralled out of control when he tried heroin for the first time as a teenager while growing up in 1980s Glasgow. For years he balanced a career as a rising star amongst legendary chefs with a crippling drug addiction that took him down many dark paths. Fired from his job at a Michelin star restaurant in Chester, England, after a foul-mouthed rant, Jock made his way to London looking for work and found himself in front of the legendary Marco Pierre White. He credits White for saving his life, but Jock continued to struggle with addiction in a world of excess, celebrity, and cut-throat ambition. On New Year's Eve 1999, Jock shot up his last shot of heroin before boarding a plane to Sydney, where he would find passion and new meaning in life in the most unexpected places. There would be more struggles ahead, including two failed marriages, the closure of his prized restaurant during COVID-19, his time on-country, and some very public battles. This is the unforgettable story of an incredible life cut short too soon. Praise for Last Shot 'I've known Jock for 25 years. He is not only a great mate but an incredibly talented chef - in Australia and around the world. Last Shot really shows how resilient Jock is and how far he has come in his personal and professional life. I'm inspired by how brave Jock has been for putting this biography out there. I couldn't put it down. Loved it!' Matt Moran 'Zonfrillo climbed his way to the top of the gastronomic ladder only to abdicate his position. He still inspires chefs worldwide.' Marco Pierre White 'An amazingly candid story of a prolific but complicated chef who made it back from the brink despite the obstacles, surely one of the best comeback stories there is!' Gordon Ramsay 'Jock absolutely lives and breathes his passion for food, which began in childhood. And between the incredible ups and downs of his life that we read about in Last Shot, what really comes through for me is his search for knowledge of Indigenous foods - I so admire how the depth of his learning combined with his amazing skill and creativity has allowed him to celebrate the uniqueness of the cultures he has embraced.' Your Time Starts Now Julie Goodwin.2024-04-23 Julie Goodwin was catapulted into our hearts as the first-ever winner of MasterChef Australia. In many ways her win was unlikely. As a child Julie adored music and art, but her career began in youth work, including in a juvenile detention centre housing troubled boys and a toxic all-male staff. After her three sons were born, she and her husband started an IT business. Then came MasterChef - a record-breaking juggernaut of a show. The attention and opportunities that flowed from Julie's win were thrilling and overwhelming. She became a columnist for Australian Women's Weekly, a presenter

on Today, published numerous cookbooks and made appearances on many shows including facing off with snakes and alligators on I'm A Celebrity ... Get Me Out of Here! For years she co-hosted an award-winning breakfast radio show, and she opened a thriving cooking school. It was by all appearances, a successful, rewarding life. But under the surface relentless pressure from Julie's outer and inner worlds was taking its toll. Struggling with depression, anxiety and addiction, with bushfires blazing and lockdowns looming, Julie found herself hospitalised in a mental health unit. Her recovery, bumpy and circuitous, is an ongoing process that Julie tackles with tenacity. In this gloriously candid, deeply moving memoir, filled with beautiful food, astonishing people, humour and heart, Julie writes with brutal honesty about her struggles. We are brought into her story, into her unravelling and quest for healing as she seeks to resume a richly lived life.

Fast, Fresh and Unbelievably Delicious Matt Preston.2013-10-01 My new cookbook is full of recipes for stuff that is quite simply delicious, and that I cook for my family and friends. It's a wee bit different from my first book in that the dishes are fresher, lighter, healthier... Well, that was the idea. I then suggested all those naughty, over-the-top dishes that I also love. These had to go into a sealed section because, like a Bangkok nightclub act, they are just a little too full-on for the delicate stomachs of some, and for the good of your health. That section is sealed for your own safety. Please resist opening it if you are a helpless slave to your passions. In short, this book is like me. It starts out with REALLY GOOD intentions for a while until it is overwhelmed by temptation and then, quite frankly, once self-control is gone it turns into a bit of an orgiastic free-for-all. Good times! Welcome to the Pleasure Dome, my friends, please grab a fork. Matt Preston This is a specially formatted fixed layout ebook that retains the look and feel of the print book.

Now he's sharing the recipe that started it all, along with dozens of classic and contemporary dumplings, accompanying dishes and knockout sauces. His simple, impressive recipes break down the steps to help you make the dumplings of your dreams and have a blast doing it. Inspired by his family's Chinese and Mauritian background, Brendan covers classic Chinese-style dumplings and playful new creations. Traditional flavors feel fresh in recipes like Chinese Spicy Beef Potstickers, Shanghai Soup Dumplings and Chicken and Ginger Jiaozi. Shake things up with Purple Miso Roasted Eggplant Potstickers and Red Curry Chicken Wonton Soup. Round out the table with Spicy Dan Dan Noodles, BBQ Pork Steamed Buns, Tea-Smoked Duck Breast and plenty of dipping sauces. It's easy to make your own dumpling wrappers from scratch, or start with store-bought and dive into the art of shaping. No experience or special equipment necessary!
