**Untangling Emotions** J. Alasdair Groves, Winston T. Smith. 2019-03-14 How do you feel about how you feel? Our emotions are complex. Some of us seem able to ignore our feelings, while others feel controlled by them. But most of us would admit that we don't always know what to do with how we feel. The Bible teaches us that our emotions are an indispensable part of what makes us human—and play a crucial role in our relationships with God and others. Exploring how God designed emotions for our good, this book shows us how to properly engage with our emotions—even the more difficult ones like fear, anger, shame, guilt, and sorrow—so we can better understand what they reveal about our hearts and handle them wisely in everyday moments.

Love is confusing right? You take one step forward, believing it's right; but the ground crumbles and you realise that it was a wrong decision. What are you supposed to do while standing face to face with love? How do you make the right decisions? What should you do to make love stay? The answers to those questions are definitely not easy to find, because love deals with emotions and that's where everything goes haywire right? Varsha believes that as well. That's why through reading her poetry, which deals with different emotions one can feel when in a state of love, you may get closer to your answer. In this book, Varsha shows that the best way to face love is to be honest with your own self first. Understand yourself, come to peace with yourself, and then you will understand your feelings better and where they take you. Love can be mind-boggling, but that doesn't mean you have to give up - you can start by knowing yourself *From the Bottom of Your Heart*.
